Good Morning Kenny,

It was really nice Teams meeting you last week to discuss the above application.

Many thanks for agreeing to the timings that we have proposed. Regarding the possibility for deliveries, the concern of the Police is predominantly the location of this premises. As discussed, the area of Fulham Broadway and the vicinity suffers with a high level of anti-social behaviour and criminal activity, specifically in the early hours.

We have had incidents at similar premises (along the North End Road) that have been closed to patrons and just operating for deliveries, where irate customers have forced their way into a premises, resulting in the Police being called. I am of the opinion that it is difficult to manage a premises in a location such as this when considering deliveries only.

I would strongly recommend that deliveries are not applied for at this stage and of course this could be reviewed in the future.

By way of background, there has also been significant interest in this application from Local Residents who have expressed their concerns about the late hours applied for. They have also expressed concerns about the possibility of delivery riders congregating in the vicinity of the premises and causing a noise and nuisance issue. This is more for the Local Authority to deal with as opposed to the Police, however I wanted to make you aware in case you receive any objection to this application.

Thanks again for the birthday celebration message, I am heading down to Devon later this afternoon. Happy 50th to yourself for September.

I hope you are well,

Kind regards,
Kris.

Dear Kristen and Nicole,

Thank you very much for meeting with me last week and explaining why it is important to stick with your recommendation which is in line with similar outfit nearly opposite, and also not to create a new precedence which is not conducive to the situation in the area.

You also explained that if we did not agree to this consideration, it could go to Committee. We would like to avoid that at all costs and can confirm that we are happy to accept your proposal.

However in Lieu of this, after having slept on it, I had a further request to ask if you would consider adding an extra hour to your proposal for the delivery option only.

Kindly let me know, however I would not want any situation where we would have to go to Committee. So kindly confirm if additional hour for delivery only would be considered acceptable. We have similar situation in other store. If you concur, then please include as part of your recommendation, otherwise we confirm acceptance. Let us know in any case either way.

I hope you have a wonderful 50th birthday celebrations, I gasped today when I realised mine was in 79 days. Time to get back in the gym. Thank you.

Kind regards
Kenny Wilkins
