Hi Maria

Just to confirm, despite this agreement, noise and nuisance wish to uphold our representation on the basis of the prevention of public nuisance.

Thanks

Dear Maria

Tx for below but...No it does not.

We do not agree with the hours suggested by the Police, as below.

Police are one Responsible Authority (RA), fyi to those copied here.

RA LBHF Noise and Nuisance have made a Representation against ANY extended hours.

Extended hours around here are leading to more drug crime, crowds, glue gun parties etc. We are against extended hours full stop, just as noise and nuisance are.

It would be helpful if you would show who u r emailing to so that I can contact everyone at once. In the meantime, I am copying various people who planned to make representations against extended hours because the Premises will not be able to uphold the Lic Objectives of crime, public safety, noise and nuisance.

Pls could you give me a list of residents who made Representations.

Thank you.

Dear Maria

Tx for your request below, I assume, bcc:'d to everyone who has so far made a Representation against this Application.

The deadline is now 18 July so others copied here could still make a Representation.

No. I do not agree and I will not be withdrawing my Representation.

Please tell the Applicant, verbally only (as we do not yet have a solution regarding redacting personal details but your colleagues are working on this; we know and appreciate that)
that 'I believe that the Applicant should consider withdrawing his application and not reapplying.

He cannot uphold the Licensing Objectives whilst Deliveroo drivers are stealing his food (that is crime going constantly unchecked and Deliveroo is not helping the Premises Lic holder in any significant way that will put a stop to these crimes) and his Premises is smack in the middle of crime, public safety and noise/nuisance problems that are increasing every day/week/month in this commercial/but overwhelmingly residential area of LBHF town centre Fulham Broadway that is being run over with the very drug and gas gangs that he and I discussed when I visited with him about his Application.'

Subject: 2022/00806/LAPR: Pepe`s Peri Peri: 607 Fulham Road London SW6 5UA REPRESENTATION

Due to issues of anonymity, which we residents are working on directly with the LicAuthority to try to align the LBHF policy more closely with other London boroughs' updated policies, I am submitting these comments, agreed amongst several residents, in my name.

The creeping extension of licensing hours is NOT acceptable given the degree of late night mayhem here in Fulham Broadway. Any additional activity, especially extended hours, which supports the night-time economy is actually fuel to the fire of drunkenness, drug taking and dealing, nitrous oxide consumption, vomiting, urination, even defecation in and around 607 Fulham Road and 609-611 Fulham Road at the corner of and into Barclay Road.

We are determined that every opportunity is used by the Licensing Authority and the Licensing Sub-Committee, to limit vs extend the crime and disorder, public safety, noise/nuisance and harm to children at this Premises, in the vicinity of this Premises, and along the New Delivery Economy pathway of this Premises ie from 607 Fulham Road to the final delivery and actual sale at a doorstep, within a two mile radius and sometimes even further, of 607 Fulham Road.

If the Redback pub/club (across from the Applicant's Premises of 607 Fulham Road, at 490 Fulham Road) didn't exist, if the druggies didn't exist, if the balloon gangs didn't exist, if the Audi did not still exist and did not still sell drugs in front of this very Premises as well as all over the surrounding stretch of Premises and into residential roads, and this were a quiet continental square where people could eat,

drink and chat peacefully till 1am... but we're talking fantasy here. These issues cannot be looked at in isolation. The dots need to be joined; the LBHF Licensing Policy specifically addresses this through 'cumulative impact'. As well, this very Premises is in the Fulham Broadway Cumulative Impact Policy zone.

Pls could Licensing confirm receipt of this email and that it will be submitted as a valid Representation/addendum to my original Reprerentation made before the 29 June deadline (now 18 July deadline) [2022/00806](#)/LAPR: Pepe`s Peri Peri: 607 Fulham Road London SW6 5UA.

Maria,

This does not satisfy resident's concerns. Although it is better than the originally proposed extension to 3-4am, I see no reason whatsoever to extend current hours. Therefore, I will not withdraw my representation and please move this to a Licensing hearing.

Best regards,
Simon Jones

SUBJECT - NOT AGREED WITH NOISE NUISANCE - NOT AGREED WITH RESIDENTS - UPDATED HOURS AGREED WITH THE POLICE

I write in to support Charlotte Dexter about the extension of licensing hours which continues - this area is becoming more and more of a late night economy which is totally inappropriate - this is a family area where residents are entitled to their sleep - we read every day about stabbings etc - we do not want to encourage drug dealers, vomiting and urination. The Police have enough work to do as it is - there was a Police recruitment drive taking place in Fulham Broadway underground the other day. We shouldn't be over-burdening our existing Police.

We should be protecting children from harm and letting families have a good nights sleep
