**SPECIAL MOTION NO. 4 – TRAFFIC, CONGESTION AND POLLUTION  
REDUCTION SCHEME EXTENSION**

---

Standing in the names of:

- (i) Councillor Adrian Pascu-Tulbure
- (ii) Councillor Amanda Lloyd-Harris

This Council regrets that proposals to extend the existing Traffic, Congestion and Pollution Reduction (TCPR) scheme to the west of Wandsworth Bridge Road have become a source of considerable local contention, and calls upon the Administration to grasp the issue, bring together residents and businesses, consult fully, and work constructively towards a solution.
