Reasons for comment:

Comments: 10/08/2022 9:26 AM I work for the council as a Community Safety officer and attended a Ward Panel meeting on the 27 July 2022. This establishment was mentioned as being an attraction to the local area for people to congregate, loiter and drug deal. The residents expressed such concerns about an increase in drug dealing, anti social behaviour that the Police and the council's LET officers were asked to increase patrols to help deter. A few days later after Police checked crime reports, they applied for a temporary cctv camera to be installed in the area to capture images to help identify offenders. The fact that this business is thinking of applying for a variation to their existing licence to include the sale of alcohol on and off the premises until 2am , I feel will only attract people to the area to drink and when they leave cause nuisance associated to noise and litter. The business will not be able to control people who choose to cause nuisance as they leave. I am worried that residents will feel trapped in their homes as Woodger Road, where they live is a cul-de-sac and the entrance to the Sports Cafe is on the only road in and out of the cul-de-sac by foot and by vehicle. If we are already receiving reports about drug dealing and this business is a cafe / restaurant I feel that by awarding a late nigh refreshment will only have a negative impact on the high residential area.

Kind regards

Stance: Customer objects to the Licensing Application

Reasons for comment:

Comments: 10/08/2022 6:52 PM To Whom It May Concern,
The Sports Cafe has been a MAJOR disturbance on our little residential street. The customers are constantly standing smoking outside, blocking people with groceries and baby buggies. They also smoke cigarettes (and often marijuana) under our open windows. They talk loudly on the phone at night, and have on multiple occasions been extremely aggressive with neighbours, including using foul language in front of little children.

We have had many conversations with Samuel, asking him to please ask his customers to be respectful of the residents, but we continue to have problems.

Some of our residents have even reported the issues to the council to no avail.

To now allow them to stay open till 2:00a is out of the question. They already wake up our children when they leave at 11:00. Although the address is officially Goldhawk Rd, the actual entrance is on Woodger Road, a small residential street with children, and families and not an appropriate spot for a nighttime venue

The change in licensing hours would represent a dramatic disturbance to this residential street and its council tax paying residents, in addition, we believe bars on the main road (Brewdog and Hawksnest) dont even have this kind of license so we find it hard to understand how a 'Cafe' on the basement of a residential building can be considered for this extension.

Thanks in advance
Apex Court Management Company

Kind regards

Subject: Re: Sports Cafe licencing application (39 Goldhawk Road) - Ref 2022/01135/LAPR

Looping in the licensing team as well for full visibility.

Deal Jacolyn and Mercy,

I'm one of the other Directors of the Residents Management Company for Apex Court (company details: [1 WOODGER ROAD W12 MANAGEMENT COMPANY LIMITED](#))

For the reasons my colleague and neighbour Irene mentioned above, the numerous complaints we've received from our residents, this recent application has gotten us all concerned.

The flat where I live in Apex Ct faces Woodger Road and we often hear their customers leave at midnight or later causing a disturbance. In those instances, I have wondered if they are in breach of their existing license restrictions, and the reason they wish to extend their hours is that they wish to start operating within the law.

I'm confident this matter will get investigated thoroughly before a decision is taken.

We would welcome the opportunity to engage with yourselves and the licensing team in discussing some the challenges we have faced with this establishment and if there are any ways this situation can be improved.

Best wishes,

Antony Fox

Reasons for comment:

Comments: 10/08/2022 3:13 PM i strongly oppose the extension of the licensing in these premises - they are already a massive problem for everyone living on woodger road the customers of the sports cafe are rude, the deal drugs, smoke under our windows, park outside out building and never turn off their engines, are often drunk and have verbally attacked many of us several times

the license at the sports cafe should not be extended, the sports cafe should be closed down so we can feel safe again

i have expressed my concerns in the past several times, this is not the right kind of bar to have in a residential street

please think about your citizens rather than this very unsuitable and dangerous business

irene

Reasons for comment:

Comments: 10/08/2022 4:18 PM Hello

I am writing to object to this license extension at the Sports Cafe. Under the current licensing we already experience a lot of anti-social behaviour by the customers of the cafe which we have tried to address with the owner without success. If anything I would like to see the license revoked.

The customers smoke under the windows of the apartment building next door to the cafe (in Woodger Road) where I live and the smoke comes into my apartment. When a resident of my building asked them to stop they acted aggressively towards her.

They leave the cafe very noisily late at night when the cafe closes and continue to loiter and talk loudly in Woodger Road. Children have been woken up by their noise but we can't close our windows all the time due to the heat. Loitering is a general issue at all times of the day with the customers blocking the pavement.

If you are in any doubt I encourage you to visit Woodger Road to see this behaviour first hand.

Kind regards
Felicity Taylor

Stance: Customer objects to the Licensing Application

Reasons for comment:

Comments: 10/08/2022 6:10 PM The entrance to Sports Cafe is not on Goldhawk Road, it is on Woodger Road, adjacent to my block of approx 30 flats (Apex Court). There are also flats above and adjacent to sports cafe. Its a regular occurrence to have multiple customers of sports cafe standing outside on the pavement, smoking and talking, partially obstructing the path. They sometimes wander a few metres to outside our block while talking on mobile phones, outside bedroom windows. If they extend their opening hours then their customers will continue to talk and smoke outside people's flats while they are trying to asleep.

Kind regards

Reasons for comment:

Comments: 10/08/2022 8:08 PM To Whom It May,

I am extremely distressed to hear that The Sports Cafe has filed license application to extend its hours. We are already suffering from the existing hours. I have personally been down to the cafe on several occasions to ask them to keep the sidewalks clear and the sound down, but Sam seems to have no control of his customers.

A few of the customers have picked fights with the residence. I informed the cafe of this, to which they responded "take a picture of the person and we will ban them". Not a smart idea...and needless to say the person still frequents the cafe.

This "cafe" should not have been given a license in the first place and it certainly should NOT be extended. We are a small street, and this cafe is NOT on Goldhawk Road, It is on Woodger Road despite it's address.

Thank you,
Sophia Ali

Reasons for comment:

Comments: 10/08/2022 9:20 PM I am quite upset to learn that the Sports Cafe has applies for extended opening hours until 2 am on weekdays.
The Sports Cafe is on Woodger Road, next door to our apartment building. The address of the cafe is on Goldhawk Road, but the Cafe's door is on Woodger Road, on a narrow pavement which everyone entering Woodger Road must use.
On most evenings a group of the Cafe's patrons gather on the pavement, chatting, smoking and drinking from plastic cups, sometimes blocking the way for neighbours who are trying to get home. There have been incidents between neighbours and patrons. A few months ago one of my own dinner guests was subjected to personal remarks as she made her way to our door. This of course is unacceptable.
Since this situation is both unpleasant and unresolved it seems madness to extend the opening hours of the cafe.
I have one more issue- this one with the Council. We only learned about the application by chance yesterday, two days before the deadline. Why were we sent no notice? Surely Hammersmith and Fulham Council can do better by its council taxpayers.

Kind regards

Stance: Customer objects to the Licensing Application

Reasons for comment:

Comments: 11/08/2022 8:53 AM I strongly object to this application.

This area is a residential and daytime retail area with few pubs. There are very few late night licenses in the wider area and adding one would attract more drunk people to our residential street late at night. We already have problems with antisocial behaviour, a lot of it associated with the current activities of the sports cafe.

Furthermore, the premises in question is not suitable for its current licensed use, nor is it well-run.

The sports cafe, though its address is on Goldhawk road, has its entrance on Woodger road, a small residential cul-de-sac.

The cafe has no outside area and the customers seem to spend a lot of their time smoking, which they do outside the door of the cafe itself (which is in a mixed residential and commercial building) and also spread down the street, often having loud phone calls and conversations and smoking right outside people's windows. Attempts to ask them to be more considerate have been met with aggression.

The smokers often stand in small groups on the pavement and are not considerate of others who need to use the path. Again, polite requests for them to make way for people with babies in prams have led to aggression including swearing at a mother in front of her 2-year-old.

The owner of the cafe is well aware of the issues caused but seems unable to control his customers.

This license should be reviewed for compliance and restricted, not extended.

There are other sources of antisocial behaviour on Woodger road, which I hope the new law enforcement team will look into, but approving this application would undermine all the council claims to be trying to do.

Kind regards

Commenter Type: Neighbour

Stance: Customer objects to the Licensing Application

Reasons for comment:

Comments: 11/08/2022 9:51 AM I seriously object to all of this request.
As a resident of many many (12) years on this street I am appalled at the increase in intoxicated people:
hanging out on the street drinking alcohol covered by bags
vomiting on the street and in the gardens
urinating in the bushes
smoking and littering the road.
intoxicated people screaming and shouting late into night
Woodger road is a short residential street and has become a tip and a playground for unruly / illegal behaviour. This is well documented with my persistent emails to the Council.
I now, as a single 64 year old woman, I do not feel safe coming home late at night.
TAKE THIS AS A RECORD OF NOTE.
I have requested cctv cameras and police patrol on Woodger road to no avail.

ALLOWING THIS APPLICATION TO PROCEED WILL EXACERBATE ALL THE EXISTING PROBLEMS

Kind regards

Reasons for
comment:

Comments: 11/08/2022 2:39 PM There is already too much noise during the evening and many of the people going to that cafe make evenings very shady to just pass by.

It's especially not very safe for women or girls that just pass by as there have been silly comments, catcalling etc from them and I don't want this behavior to perpetuate or intensify by allowing them to consume alcohol to later hours of the night.

Kind regards

Reasons for comment:

Comments: 11/08/2022 2:40 PM The Cafe's customers are already disturbing the quiet of the road and neighborhood. The area was much more quiet before the Cafe opened. Their clients are hanging outside the cafe, drinking alcohol and smoking all day long. As a woman I don't feel safe to even walk in front of the cafe because I have been a victim of cat calling many times. I am definitely opposing to their application to extend the hours of activity and alcohol consumption.

Comments: 11/08/2022 6:32 PM Really unhappy about this!
We are residents on this road and this cafe already makes a lot of noise. There are always gangs of men hanging around in the streets outside - which especially at night can be intimidating. There are often fights from this establishment that end up on the street. Lots of smoking of cigarettes which get thrown on the ground. Members of this cafe/club daily make parking in our road a nightmare! They pull cars across our private driveways and block us in while they are in the cafe.

Reasons for comment:

Comments: 11/08/2022 10:36 PM hi, I live in the building next door (Apex Court) and my flat is facing the main street. Woodger road gets very noisy mainly on the weekends and late in the weekdays nights due to people being drunk, they get together in small parties and they speak with loud voice. it will be good to keep the buildings around without much activity late in the evening as many people in Apex Court have kids and they need to put them to bed early. It will be good to make sure shops around here do not sell alcohol. Since I moved here, late June..on one occasion the Ambulance was called because someone got sick due to alcohol consumption. also another source of noise is mops being parked on the Woodger road street and people get together in groups making small reunions, drinking on the street. this situation is not very family friendly and it is not a good environment to live in. As I am also a recent buyer of a flat in this building, I would like to live here around good quality people, keep the value of my property and increase the look and feel of the area. this place is in a very good location and it will be good to have a better high street experience with boutique kind of shops, well known brands and more artistic premises. Thank you

Kind regards

Reasons for comment:

Comments: 11/08/2022 11:56 PM The level of antisocial behaviour relating to this establishment is unbearable. I cannot condone any extension to a license which is impacting my family and neighbours lives this way. From walking past the entrance and hoping to god no one flicks a cigarette out of the door on to me or my child right through to the excessive noise and debris left around it which we need to wade through In order to get past this bar's entrance to get to the main road. The idea of listening to the sounds from this establishment till 2am is nonsense given no other places in the area hold even close to a similar license and the establishment being on the cull de sac backing in to residential properties. Many more examples where this came from.
