Subject: HOLDING REP: 2022/01370/LAPR: extend hours to 01:30 Simmons Bar: 374 North End Road London SW6 1LY -30th Sept deadline

This is my holding Representation for this application 2022/01370/LAPR for extended hours at Simmons Bar. Residents and Ward Panel members want to suggest further conditions regarding

- 1) spiking.

The LGA has just issued helpful guidance for Conditions and best practice re the new, very real concern of spiking drinks. As this is already an alleged current issue at a famous club not far away, we believe it could be a good opportunity for Conditions re training and actual at-the-moment alleged incident management at a Premises like Simmons Bar.

- 2) entry/re-entry:

with all the rather unfortunate and illegal activity going on across at Jerdan Place and around the corner in Fulham Road at later hours, we need to better understand the procedures for not allowing re-entry. How will this be monitored?

- 3) Hours

we understand the Met Police have suggested the following hours—we are concerned about day creep ie Thursday being lumped in with Fri/Sat. As well, with all the after 23:00 problems very close by we wonder why hours should be extended at all.

The Sale of Alcohol - Both On and Off the Premises

Sundays to Wednesdays between 11:00 to 23:00

Thursdays, Fridays and Saturdays between 11:00 to 00:00

Opening Hours of the Premises

Sundays to Wednesdays between 08:00 to 23:30

Thursdays, Fridays and Saturdays between 08:00 to 00:30

- 4) What is planned for alcohol sales 'off the Premises'?

Presumably delivery. If so, the Delivery Economy needs to be addressed through various Conditions. Only last week Shell recharge station/Little Waitrose on Fulham Road submitted their own Conditions to limit their liability regarding deliveries by third-party Delivery Economy providers who are not motivated to check age IDs, and to prohibit deliveries to parks, schools and certain places that in essence are not a bona fides residential or business address.

- 5) Drinks only with a meal

We wonder about requiring that drinks served after 22:00 be served only with food, in an effort to support more responsible drinking.

- 6) further concerns

We might have other concerns that need to be addressed, thus this holding Rep, actually as a partial Representation with the five points above.

Pls read this into the record for 2022/01370/LAPR. Pls confirm back to me.

Stance: Customer objects to the Licensing Application

Reasons for comment:

Comments: 30/09/2022 10:16 PM I reserve the right to comment further on this application as it has only just come to my attention.

However the extension of the hours particularly on a Thursday in a highly residential area will cause noise, ASB and other nuisances in contravention of the licencing principals.

Ward Panel Chair

Kind regards

Stance: Customer objects to the Licensing Application

Reasons for comment:

Comments: 30/09/2022 6:57 PM I am writing for and behalf the Parochial Church Council of St John's Church. We are objecting to the extension of the license on grounds outlined in the Licensing Act 2003. Under the objectives to prevent crime and disorder and maintain public safety, we are concerned that the extended opening hours will provide a magnet for criminal behaviour being the only establishment open late in the area. We already have drug use and selling happening and the abuse of substances such as nitrous oxide. Considering the objective of the prevention of public nuisance and the protection of children from harm, we are concerned that this late night opening is incompatible with area - the community is quite densely populated, including a significant number of children, not only in the immediate vicinity but also on the routes to public transport - a later opening creates a serious danger of public nuisance with adults and children having their sleep disturbed, the absence of footfall late at night is likely to see an increase in existing antisocial behaviours - urinating in doorways, vandalism. This area has a

healthy mix of homes, shops, pubs and eateries; allowing Simmonds to open to a much later hour than other pubs, (e.g. The Cock Pub, just a few doors down) would not only be out of character with the area, but may force the hand of other licensed premises to open later, making it potentially less safe and more harmful for residents.

Kind regards

Subject: Ref 2022/01370/LAPR Simmons Bar 374 North End Road

Dear Sir/Madam,

I have just seen a notice on the front of Simmons Bar requesting a licence to close at 01:30(alcohol served till 01:00) on Thursday-Saturday nights.

I am concerned about the effect these proposed hours may have on local residents and believe that they extend beyond those suggested in the LBHF Licensing Policy 2022-2027, Policy 3, pp 20-21, for bars in a 'mixed-use' area, namely closing on Fri-Sat at 01:00, Mon-Thurs 00:00 and Sunday 23:00. Thursday treated as a Fri/Sat night is also not in the Policy.

I would therefore like to record my objection to this application.

Kind regards

Rowena Skoulding
