To Licensing,

**Full Variation Application Dacha Shop, 645 Fulham Road 2022/01132/LAPR**

Please see the below conditions agreed with the applicant in relation to the above Full Variation Application.

1. On days when Chelsea football club are playing at home, or a Chelsea Football Club victory parade takes place, the premise shall not sell alcohol Three (3) hours before the advertised kick off time until One (1) hour after the match has been completed.
2. Signs shall be clearly displayed at prominent positions in the premise informing patrons that alcohol is not for sale during Home Chelsea Football fixtures.
3. Strong beer, lager, cider and stout above 5.5% ABV shall not be displayed or sold.

In light of the applicants agreement to proposed condition 1 and 2 above we are proposing that these conditions replace condition 7 currently listed on the premises licence in relation to the sale of alcohol on Chelsea Football match days.

Current Condition;

*"7. When Chelsea Football Club play at home, or on days when a Chelsea Football Club victory parade takes place, the premises shall cease to sell alcohol at the request of a Police or local authority officer for the time period requested."*

Having both football conditions present on the licence would cause some ambiguity as to which is applicable at any given time, therefore should not be added in addition to but added to replace the current football condition. The new conditions are relative and necessary in the Prevention of Crime and Disorder on Chelsea Football match days given the changes that have been applied for in the Full Variation application.

Please let me know if you require anything further from Police Licensing.

Kind Regards

Nicole

Hi Audrone,

Hope you are well. Yes it was good thank you. Straight back to reality though so it always seems like ages ago after a few days back.

So after discussion with my colleague please see revised conditions below;

1. On days when Chelsea football club are playing at home, or a Chelsea Football Club victory parade takes place, the premise shall not sell alcohol Three (3) hours before the advertised kick off time until One (1) hour after the match has been completed.

2. Signs shall be clearly displayed at prominent positions in the premise informing patrons that alcohol is not for sale during Home Chelsea Football fixtures.

3. Strong beer, lager, cider and stout above 5.5% ABV shall not be displayed or sold.

Should you agree to the football conditions above then we propose that they should replace the current football condition listed on your licence oppose to them being listed in addition to it.

Kind Regards

To Audrone,

**RE: Full Variation Application Dacha Shop, 645 Fulham Road 2022/01132/LAPR**

I am emailing from the Hammersmith and Fulham Police Licensing Team in relation to the above application and to inform you that the Metropolitan Police as a Responsible Authority are in receipt of it.

You have applied for the following;

**Full Variation:**

**The licensee wishes to remove condition 10 from the licence.**

***10. Only wine and spirit products shall be available.***

It is our belief that the removal of this condition will have a negative impact on Crime and Disorder in the area and in particular on days when Chelsea Football club are playing at home therefore we are proposing the following conditions in order to allay these concerns;

1. On days when Chelsea football club are playing at home, or a Chelsea Football Club victory parade takes place, the premise shall keep all alcohol behind locked shutters from Three (3) hours before the advertised kick off time until One (1) hour after the match has been completed.
2. Signs shall be clearly displayed at prominent positions in the premise informing patrons that alcohol is not for sale during Home Chelsea Football fixtures.
3. Strong beer, lager, cider and stout above 5.5% ABV shall not be displayed or sold.

Please let me know if you agree to the above conditions or would like to discuss them further.

Kind Regards

Nicole
