The licence holder will positively encourage delivery drivers/riders to use quieter vehicles that are less likely to cause a nuisance such as bicycles.

4.2 Temporary Event Notices (“TENs”)

No TENs have been submitted in respect of this premises in the past twelve months.

5. POLICY CONSIDERATIONS

5.1 Section 5 pages 12 and 13 of the Statement of Licensing Policy (“SLP”) states that in order to ensure the promotion of the four Licensing Objectives the Licensing Authority will require applicants to detail in their operating schedule:

- the steps proposed to promote the licensing objective of the prevention of crime and disorder on, and in the vicinity of, the premises, having regard to their location, character, condition, the nature and extent of the proposed use and the persons likely to use the premises;
- the steps proposed to ensure the physical safety of people using the relevant premises or place;
- how they intend to prevent nuisance arising, prevent disturbance and protect amenity so far as is appropriate to ensure that the Licensing Objectives are met. Where there is a relevant representation regarding extended hours, the Licensing Authority will not permit an extension unless it is satisfied that the Licensing Objectives would be met;
- the measures and management controls in place to protect children from harm. Where appropriate a written childcare policy should be available and be incorporated in the induction of staff.

5.2 Policy 3 page 21 of the SLP states that where there is a relevant representation, the Licensing Authority will consider each particular case on its merits having regard in particular to the following matters:

- a) Whether the licensed activities are likely to have an adverse impact especially on local residents and, if there is potential to have an adverse impact, what, if any, appropriate measures will be put in place to prevent it;
- b) Whether there will be a substantial increase in the cumulative adverse impact from these or similar activities, on an adjacent residential area;

- c) Whether there is a suitable level of public transport accessibility to and from the premises at the appropriate times;
- d) Whether the activity will be likely to lead to a harmful and unmanageable increase in car parking demand in surrounding residential streets suffering high levels of parking stress or on roads forming part of the Strategic London Road Network or the London Bus Priority Network leading to a negative impact on the Licensing Objectives relating to the prevention of crime, disorder, anti-social behaviour (ASB), nuisance and vehicle emissions;
- e) Whether there have been any representations made by Responsible Authorities, or other relevant agency or representative.

The Licensing Authority will closely scrutinise extended hours applications to ensure that the Licensing Objectives are met. In determining an application the licensing committee might decide that the circumstances are such that a restriction on hours is the only appropriate means to achieve the Licensing Objectives. If an 'hours' restriction is imposed, the Licensing Authority will normally require that customers should be allowed a minimum of thirty minutes to consume alcohol.

To act as a guide for new or existing operators we have set out the suggested closing times for licensed premises below:

Type of premises	Town centres	Mixed use areas	Residential areas
Restaurants and cafes	Fri – Sat 01:30 Mon - Thurs 01:00 Sun – 00:00	Fri – Sat 01:00 Mon - Thurs 00:00 Sun – 23:00	Fri – Sat 23:00 Sun – 22:00

5.3 Policy 4 pages 22 and 23 of the SLP states that in determining an application where there has been a relevant representation the Licensing Authority will, where appropriate, take into account the cumulative effect of the number, type and density of licensed premises already existing in the area. Consideration will be given to the proximity to any drug and alcohol treatment site, A&E department or homeless hostel in a local area type remit ie applicants need to make the case for how they would not increase further problems for residents/clients nearby.

In coming to any decision regarding cumulative impact the Licensing Authority will consider other mechanisms outside of the licensing regime which may also be available to address this issue, these include but are not limited to:

- Police and other enforcement of the normal law concerning disorder and anti-social behaviour.
- Prosecution or other enforcement of any personal licence holder or member of staff at such premises who is selling alcohol to people who are drunk.
- Prosecution or other enforcement of any personal licence holder or member of staff at such premises who is selling to underage persons or selling illegal alcohol or tobacco
- Police powers to close down instantly any licensed premises or temporary events on grounds of disorder, the likelihood of disorder or excessive noise emanating from the premises, for up to 24 hours.
- The power of the police, other responsible authorities, a local resident, business or Councillor to seek a review of the licence or certificate in question.

- Police and Local Authority power to issue a Closure Notice for up to 48 hours where serious antisocial behaviour is taking place at licensed premises under the Anti-social Behaviour, Crime and Policing Act 2014.
- To ensure that residents are protected from the negative impact of late-night local licensing activities the Licensing Authority may decide to adopt an Area Specific Cumulative Impact Policy in relation to a specific area; where the number, type and density of premises providing licensable activities is having a serious negative impact on the local community and local amenities.

5.4 Policy 11 page 30 of the SLP states that population densities in this borough are high, with many residential premises located above or in close proximity to licensed premises. This means that the public nuisance and crime and disorder objectives will be of paramount concern when evaluating Operating Schedules. Licensing Committees will place high regard on the control measures put in place by the applicant to ensure that our residents are protected from the potential detrimental effects of any licensed premises.

5.5 Policy 14 page 32 of the SLP states that in relation to delivery services, although these types of services are not provided for in the Licensing Act 2003 or in the s182 guidance in any way differently from other licensed premises they do provide their own unique circumstances that need to be addressed. In particular the Licensing Authority has concerns with the potential for the following:

- The safety of delivery drivers at the point of delivery;
- Safety of the premises from which orders are taken and sent out for deliver; and,
- Possible public nuisance and anti-social behaviour (ASB) caused by delivery drivers collecting deliveries from the licensed premises
- Age verification at both purchase point and delivery point;

The Licensing Authority is likely to place the following conditions on to a premises licence for delivery services where it is appropriate and relevant to the individual licence application:

- A standard age verification check shall be undertaken on entering the website.
- A signature at the point of delivery must be obtained. No delivery shall be left without a signature.
- Alcohol shall only be delivered to a residential or business address and not to a public place.
- Every third-party courier delivery box shall be labelled with the words "Age Restricted Product".
- Any delivery driver or third-party courier will be required to have appropriate age verification training, particularly they will be required to have training in refusal of supply where age verification is not provided.
- A refusals log will be maintained for deliveries.
- Appropriate security will be in place at the premises as agreed with Police.
- Measures for minimising noise and disturbance and anti-social behaviour (ASB) caused by the dispatch of deliveries to be identified in the operating schedule. In particular applicants are expected to consider the use of electric vehicles to minimise air pollution and noise. The Licensing Authority expects that applicants will make arrangements for all deliveries after 8 pm to be made using electric vehicles or non motorised vehicles i.e. bicycles.
- A requirement for a specific delivery collection area to be made clear to any third party delivery service. This area may not be directly outside the licensed

premises to take account of any residential accommodation close by or obstructing the pavement/highways.

5.6 Annex 1 pages 35 and 36 of the SLP in relation to the prevention of crime and disorder states licence applicants will be expected to demonstrate the following in their operating schedules:

- a) Measures to control excessive consumption and intoxication.
- b) Consideration of any additional measures or restrictions that may be placed on alcohol sales to prevent binge drinking and promote 'sensible drinking'.
- d) It is important to ensure that staff working at off licences are suitably trained and receive appropriate refresher training in their responsibilities under the Act and can discharge their duties in full compliance with the licence conditions and requirements of the Act. This includes the ability to competently check a customer's age with acceptable forms of identification where necessary. The Licensing Authority will particularly consider the following matters where they are material to the individual application:
 - i. The likelihood of any violence, public order or policing problem if the licence is granted;
 - ii. The measures taken to control admission to the premises, and to take reasonable steps to prevent the occurrence of crime and disorder and public nuisance immediately outside the premises, where and to the extent that these matters are within their control.
 - iii. Past conduct and prior history of complaints against the premises;
 - iv. Whether a dispersal policy has been prepared to minimise the potential for disorder as customers leave the premises; and
 - v. Any relevant representations.
- e) Measures to demonstrate compliance Home Office guidance 'Safer Clubbing' in relation to the control of illegal drugs on their premises. They should agree a protocol with the Licensing Authority and the police on the handling of illegal drugs found on their premises.
- f) Robust measures in place to avoid the presence of weapons on their premises and should agree a protocol with the Licensing Authority and the police on the handling of weapons found on their premises
- g) Conditions will, so far as possible, reflect local crime prevention strategies, and the Licensing Authority will also have regard to the views of the local Crime and Disorder Reduction Partnership.
- h) **Crime and disorder in the vicinity of the premises:** this may include the crime and disorder risks arising from persons queuing to enter the premises; persons exiting the premises and customers smoking eating or drinking in outdoor areas and on the highway outside the premises. This can also include crime arising from pickpockets and bag snatchers, particularly in open spaces or crowded areas where alcohol is being consumed.
- i) **alternative to glass bottles and glasses** - restricting the use of glass bottles and beer glasses to customers in preference for containers made from polycarbonate materials.
- j) **CCTV** - using CCTV inside and/or outside the premises together with appropriate procedures and having staff properly trained to use CCTV equipment.
- k) **dispersal procedures** - establishing appropriate dispersal procedures to minimise the potential for crime and disorder when customers are leaving the premises.

- l) **dealing with and reporting crime and disorder** - training for staff and door security aimed at reducing crime and disorder in the premises and its vicinity and dealing with and reporting incidents if they occur.
- m) **door staff** - considering whether the premises employs a sufficient number of SIA registered door staff, whether Door Premises Supervisors check the legitimacy of the badges and whether SIA staff display their badges prominently. (Note: All door supervisors must be Security Industry Authority (SIA) registered).
- n) **drugs and weapons** - ensuring compliance with relevant guidance regarding illegal drugs and weapons. Attention should be paid to search procedures, procedures for the safe storage and surrender of seized drugs and weapons and drug awareness issues, designing out the ability to take drugs in the premises, etc.
- o) **excessive drinking** - training for staff to recognise when customers are becoming drunk and adopting appropriate 'cut off' procedures for drunken customers, so as to reduce the likelihood of fights or aggressive behaviour.
- p) **local schemes** – joining and attending local Pubwatch meetings and participating in the Behave or Be Banned Scheme (BOBB) and/or signing up and using the Council's Safety Net Radio scheme.
- q) **prevention of theft** - using bag hooks and signage to warn customers of pickpockets and bag snatchers.

5.7 Annex 1 pages 38 to 40 of the SLP in relation to the prevention of public nuisance states that the Licensing Authority will particularly consider the following matters where they are material to the individual application:

- i. The Licensing Authority recommends that primarily alcohol led premises such as nightclubs and pubs, located close to any residential premises, implement a dispersal policy at their venue. All relevant staff should be trained on any policy, and all reasonable steps should be taken to ensure it is fully implemented and adhered to at all times.
- ii. The proximity of residential accommodation;
- iii. The type of use proposed, including the likely numbers of customers, proposed hours of operation and the frequency of activity;
- iv. The steps taken or proposed to be taken by the applicant to prevent noise and vibration escaping from the premises, including music, noise from ventilation equipment, and human voices. Such measures may include the installation of soundproofing, air conditioning, acoustic lobbies and sound limitation devices;
- v. The steps taken or proposed to be taken by the applicant to prevent disturbance by customers arriving at or leaving the premises.
- vi. Limiting the number of people permitted to use a garden or other open-air areas, including those for the use of smoking, at any one time.
- vii. Restricting the use of a garden or other open-air areas, including those for the use of smoking, after a particular time e.g. 11:00pm (or such earlier time as may be considered appropriate)
- viii. The steps taken or proposed to be taken by the applicant to prevent queuing (either by pedestrian or vehicular traffic). If some queuing is inevitable then queues should be diverted away from neighbouring premises or be otherwise managed to prevent disturbance or obstruction;
- ix. The steps taken or proposed to be taken by the applicant to ensure staff leave the premises quietly;
- x. The arrangements made or proposed for parking by patrons, and the effect of parking by patrons on local residents;

- xi. The provision for public transport in the locality (including taxis and private hire vehicles) for patrons;
- xii. The level of likely disturbance from associated vehicular and pedestrian movement to and from the premises;
- xiii. The delivery and collection areas and delivery/collection times;
- xv. The arrangements for refuse disposal, storage and the prevention/tidying of litter (including fly posters and illegal placards);
- xviii. The generation of odour, e.g. from the preparation of food;
- xix. Any other relevant activity likely to give rise to nuisance;
- xx. Any representations made by the Police, or other relevant agency or representative;

The following provides a non-exhaustive list of risks associated with the public nuisance objective that applicants may want to consider when preparing their Operating Schedule:

- j) **Deliveries/collections** – noise from deliveries to and/or collections (e.g. refuse) from the premises are another common source of complaint. Consider the times of such deliveries/collections and make sure you specify to any contractors that deliveries/collections should not be made at anti-social times. As a guide, the Noise and Nuisance Service recommend that deliveries/collections should only be made between the hours of 7:30am and 9:00pm, depending on the proximity of residential and/or other noise sensitive properties.
- k) **Late night refreshment** - applicants in respect of late night takeaways should demonstrate that they have assessed the risk of persons congregating in large numbers in the vicinity of their premises. Where appropriate, applicants should demonstrate suitable measures to address this problem.
- r) **Waste** – consider how and where waste will be stored/disposed of at the end of trading hours, particularly if trading until late at night. This is important because the disposal of glass and/or cans to outside bin areas can be very noisy and give rise to complaints, so it may be necessary to store such items and other non-degradable refuse inside the premises until the next trading day. Consideration should also be given to the time of deliveries to minimize disruption to local residents.
- s) **Litter** – for example, litter patrols for late night take-away premises

6. DETERMINATION

6.1 In determining this application, the Committee must have regard to the representations and take such of the following steps as it considers necessary for the promotion of the licensing objectives. The steps are:

- (a) Grant the application in full
- (b) Grant the application in part – modifying the proposed hours, activities or conditions.
- (c) Reject the application

It is the Council's duty under the Licensing Act 2003 ("The Act") to determine applications with a view to promoting the four licensing objectives; Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance and the Protection of Children from Harm.

In reaching a decision the Council shall consider the details of any relevant representations received; the applicant's Operating Schedule; the Council's adopted Statement of Licensing Policy and the guidance issued by the Secretary of State under section 182 of the Act.

If the Committee is minded to grant the application conditions may be attached to the licence to alleviate the concerns raised through the representations.
