VARIATION

Do you want the proposed
variation to have effect as
soon as possible?

Yes No

Do you want the proposed variation to have effect in relation to the
introduction of the late night levy?

Yes No

You do not have to pay a fee if the only
purpose of the variation for which you are
applying is to avoid becoming liable to the
late night levy.

If your proposed variation
would mean that 5,000 or
more people are expected to
attend the premises at any
one time, state the number
expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

Dear Sir/Madam, our current premises license starts at 11.00am we have a lot of customers that ask us for alcohol before that but we cannot supply due to our timing restrictions in the license. It would be heavily appreciated if you can change our licensing timing from 8.00am. In addition to that our license finishes at 23.00pm Mon-Sat and at 22.30 on Sundays we would also like to change the timing for that to midnight from Mon-Thurs and Fridays and Saturdays till 1.00am and 23.00 on Sundays. Besides that we are not permitted to sell beers more than 5.5%, we would also appreciate if you can give us a strong beer license or even till 9%. I can understand I am probably asking for too much but as you know we are a new business it is hard to survive with all the costs going up with utilities etc we do require more profit in order for us to keep going and keeping up to our expenses. In addition the area we are located in has a very high foot fall as we have the high street near to us and so many hotels which tourists reside in, we can not provide the required customer service to them due to all the restrictions we have on our premises license.

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

I will train staff to contribute to well-run the premises and have a responsible approach to the sale of alcohol. All staff will be advised of licensing law in writing before they are allowed to serve alcohol.

b) The prevention of crime and disorder

An alarm and other security measure are installed at the premises to protect it when closed or empty with CCTV footage up to 31 days. A panic alarm connected to verisure is also installed in the matter of crime.

We will reduce the potential for excessive queue lines with a well managed and efficient door policy. Queues should be actively managed by door staff, especially later in the evening, to keep noise to a minimum. Rowdy behavior from people queuing to get will not be tolerated. Door staff will refuse entry to anyone behaving in an anti-social way.

e) The protection of children from harm

A documented policy is set out measures to protect children from harm is in place at the premises. We operate a strict 'No ID – No Sale' policy. No alcohol 'Challenge 21' scheme serves as a reminder to staff of

the need to be vigilant in preventing underage sales and to customers that it is against the law for anyone under 18 to purchase alcohol. A 'Challenge 25' scheme gives staff additional support and encouragement to ask for ID from any person appearing to be under 25 years of age to prove that they are over 18.
