Good Morning Jasmeet,

It was good to meet you yesterday and discuss your application. I explained the concerns of the Police in relation to increasing the % abv for beers, lagers, ciders and stouts and the reason that this condition has been placed on a significant number of premises licences across Hammersmith and Fulham.

I also explained my concerns in relation to your premises being able to sell alcohol past 23:00 and the fact that by allowing this, I am of the opinion that crime and disorder will increase as a result of these later hours.

The Police do want to work with local businesses and therefore, as discussed, I would not object to the following:-

You withdraw your request to amend condition 6 on the premises licence and therefore the sale of beer, lager, stout, ale and cider will remain restricted to 5.5%abv or below.

The sale of alcohol - Off the premises only

Mondays to Sunday - 08:00 to 23:00

I look forward to hearing from you,

Good Morning Mr Gabha,

My name is Kris Cardwell, I am the Police Licensing Officer for Hammersmith and Fulham. I can confirm that the Metropolitan Police are in receipt of the full variation to the premises licence for Shepherds Bush Food And Wine, 20, Shepherd's Bush Road, London, W6 7PJ as detailed below:-

Licensable activities to vary- The sale of alcohol - Off the premises only

Proposed Hours

Mondays to Thursdays - 08:00 to 00:00

Fridays and Saturdays - 08:00 to 01:00

Sundays - 08:00 to 23:00

Current Hours

Mondays to Saturdays - 11:00 to 23:00

Sundays - 11:00 to 22:30

Condition 6 - The premises shall not sell nor offer for sale the following products in excess of 5.5% alcohol by volume: beer; lager; stout; ale and cider. (The licensee wishes to increase the limit for the strength of alcohol which can be sold from 5.5% to 9%)

By way of background, the entire Borough of Hammersmith and Fulham suffers with street drinkers. Sadly, street drinkers are vulnerable addicts that drink the highest %abv possible to fuel their habit. It is well evidenced that their behaviour includes, shouting, swearing, spitting, vomiting and often their behaviour leads to violence. This behaviour is of course particularly unpleasant affects the local community. It is therefore essential that every operate who sells alcohol does so in a responsible manner to address this issue.

A significant amount of work has taken place between the Police, the Local Authority and local residents to deal with street drinkers and specific licensing conditions have been placed on premises licences to restrict the sale of alcohol to street drinkers, hence the 5.5%abv condition. Most other premises have this condition on the licence and the Police would object to any increase such as the one that you have proposed. There are a significant number of products that can be sold which are 5.5%abv or less.

That being said, the Police do want to work with premises and I understand that an increase in the hours of licensable activity would assist your business model. The Police do not want premises such as yours selling alcohol past 23:00 as this creates other problems and will most certainly increase the potential for crime and disorder to take place.

The Police would not object to the following:-

The sale of alcohol - Off the premises only

Mondays to Sunday – 09:00 to 23:00

Please consider my proposal. I am in Hammersmith tomorrow and I am happy to call in to your shop and discuss your application.

I look forward to hearing from you,

Kind regards,

Kris.
