Supplemental info for 2023/00297/LAPR hearing Wed 19 April 2023 18:30

Please include this Met Police email trail of 7th into 8th March in the Supplemental Agenda to give the Sub-Committee an idea of the type of DAYTIME crime and disorder/public safety issue experienced all too often in/around football match days and evenings near SafeStore Storage, Seagrave Road SW6.

This was the 3pm Chelsea/Dortmund game, 7 March 2023. Thousands use West Brompton tube/train station very close to this incident.

Seagrave Road becomes an impromptu pedestrianised road before and after matches. (After sundown, when Brompton Cemetery gates are closed...Pedestrians depart Stamford Bridge, weave through Farm Lane and cut through Michlethwaite Rd to Weaver's Terrace to Seagrave Road and West Brompton).

This leads to problems for ambulances trying to leave their depot on Seagrave Road. Adding more delivery two-wheelers awaiting 'pings' in and around SafeStore Storage will only exacerbate problems, especially on match days.
