Hi Gauri,

It was good to meet you last week and discuss your business model.

Just so you are aware the updated proposed premises licence application for Bridge Baker 811 Fulham Road London SW6 5HG as detailed below has been received.

As discussed I would advise the following conditions, **highlighted in red**, be added to the license;

1. High Definition CCTV shall be installed, operated and maintained, at all times that the premises are open for licensable activities and;
 1. shall be checked every two weeks to ensure that the system is working properly and that the date and time are correct. A record of these checks, showing the date and

name of the person checking, shall be kept and made available to Police or authorised Council officers on request

2. one camera will show a close-up of the entrance to the premises, to capture a clear, full length image of anyone entering.
3. shall cover any internal or external area of the premises where licensable activities take place.
4. recordings shall be in real time and stored for a minimum period of 31 days with date and time stamping.
5. footage shall be provided free of charge to Police or authorised council officer within 24 hours of a request.
6. a staff member from the premises that is conversant with the operation of the CCTV system shall be on the premises at all times. This staff member will be able to show police or authorised officers of the Licensing Authority recent data footage with the minimum of delay when requested. This data or footage reproduction shall be almost instantaneous.

2. All staff responsible for selling alcohol shall receive regular training in the Licensing Act 2003 in terms of the licensing objectives, offences committed under the Act and conditions of the Premises Licence. Written records of this training shall be retained and made available to police and authorised officers of the Licensing Authority on request

3. The licence holder shall put arrangements in place to ensure that before serving alcohol or other age-restricted goods to customers they believe to be less than 25 years of age, staff ask to see accredited proof of age: that is, proof of age cards carrying the 'PASS' logo (and no others), a Passport, or UK Driving Licence bearing the photograph and date of birth of the customer.

4. The licence holder shall require staff to note any refusals in a refusals log. The refusals log shall record the date and time of the refusal; the name of the staff member refusing; and the reason for refusal. It must be checked and signed monthly by the designated premises supervisor. The refusals log shall be made available for inspection upon request by the Licensing Team, Police or Trading Standards.

5. Alcohol supplied for consumption ON the premises shall only be supplied with and be ancillary to food to be consumed on the premises at the same time.

6. Any alcohol sold for consumption off the premises shall be sold in a sealed container.

If you have any queries to the above please let me know and we can discuss further.

Regards

Dan
