Summer in the City 2023

CEPAC

Holiday Activity and Food (HAF)

Summer in the City is the highlight of our HAF programme. Delivering enriching activity and food across school holidays. We recently recommissioned Let Me Play to coordinate our HAF programme for the next 2 years.

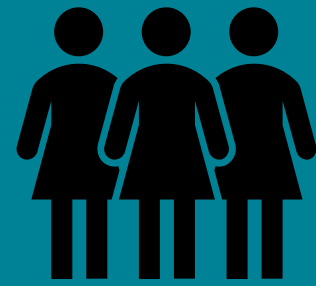

We aim to deliver a vibrant offer to children and young people that offers opportunities for connection, variety of experience, some much needed fun and a celebration around food.

Since Easter 2021 we've had:

3,759 unique children and young people

55,283 attendances

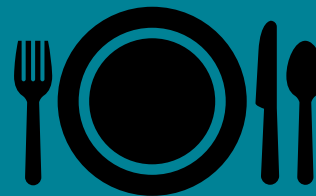

61,129 meals served

30 local providers

6,767 hours of delivery

67% of attendees eligible for FSM

Summer in the City 2023

- 5 weeks of provision for school aged children
- Supporting up to 1,200 children per week
- Provision assessed to ensure we have a diverse range of high quality provision across the borough.
- All offering enriching activity, physical activity, nutritional education and food
- Includes provision for care leavers, children who've faced crisis and children with significant SEND requirements
- Free for residents to access

A record 29 providers including:
