LONDON BOROUGH OF HAMMERSMITH & FULHAM

COUNCIL MEETING – 19 OCTOBER 2011

Question by: Francis Hoar

To the: The Leader

QUESTION

"At least one of the bids received for the Sands End Community Centre proposed a mix of residential units and community facilities. Regardless of whether or not this is the highest bid in purely financial terms, it will undoubtedly add enhanced value to the local area. Has the Council quantified whether any bid enhances: i) the promotion or improvement of economic wellbeing; ii) the promotion or improvement of social well-being; or iii) the promotion or improvement of environmental well-being?"
