
SPECIAL MOTION NO. 6 – LOCAL PARKS

Standing in the names of:

- (i) Councillor Wesley Harcourt
- (ii) Councillor PJ Murphy

“This Council confirms its commitment to local parks and recognises the debt it owes to those previous generations of people who ensured that these protected areas were set aside for the recreation and enjoyment of all.

The Council recognises its duty as a custodian of LB Hammersmith and Fulham’s parks and confirms that it will not build on them; it will not reduce their size; it will not sell them off in whole or in part; and it will not close them to public access during established opening hours.”
