---

Reasons for comment:

Comments: 10/08/2023 7:35 AM There is already a saturation of alcohol shops in the area around Shepherd's Bush green. As the council will be fully aware, the rise in ASB on Shepherd's Bush green and surrounding areas has increased considerably over the past few years often driven by the increase of street drinking.

The culminate impact policy that was in place up until a couple of years ago help reduce the excess of alcohol related ASB.

However - I am sure that the local ward councillors and police will be aware that the increase of shops offering alcohol will add to the ASB that the local community experience - hence this licence should not be approved

Reasons for comment:

Comments: 10/08/2023 8:55 AM There is a significant issue in the SB area, especially Caxton village with people who are drunk, littering bottles and fast food everywhere, doing drugs. Some of the drunk individuals even urinate and defecate on residential homes, and pick aggressive arguments with residents. Yet another venue licensing alcohol will only add to the problem.

Comments: 10/08/2023 9:35 AM We have too many places selling alcohol around the green, a lot of drunk people, druggies and rough sleepers. We definitely don't need another one!

Reasons for comment:

Comments: 10/08/2023 9:46 AM I have spoken at length with Adrian Overton about the problems residents face due to the alcohol abuse in the immediate area of Shepherd's Bush Green. If planning is talking with licensing, you should be discussing the problem with the change of use of buildings to 'hostels' which not surprisingly exacerbates the issue.

We are importing people with drug and alcohol issues, mental health problems into the borough .. insanity.

Crime is yet again, as the Police have said, simmering around the green.

When will the council listen to the residents.

I strongly object to this license.

There is a recognised problem on Shepherd's Bush Green and surrounding areas with antisocial behaviour and alcohol abuse. The residents suffer from high levels of crime and I am constantly confronted with alcoholics, reeling down the streets, sitting on the corner of pavements, vomiting, or urinating in the immediate area of our houses. Within 50 yards of the store, there are already far too many

---

premises with licenses to sell alcohol for consumption off site.

The area does not need another premises with a license to sell alcohol. It will encourage those with alcohol issues and there is no requirement or need on the part of residents for yet another alcohol off-licence.

Another cumulative impact policy needs to replace the one that expired in 2021. No further alcohol licenses should be granted, and those that expire naturally should not be renewed until there is a balance between its availability and the associated crime.

Reasons for comment:

Comments: 10/08/2023 9:52 AM It is obvious that we already have a catastrophic amount of licensed premises in the area causing multiple anti social issues fo residents and visitors alike.. These issues are well known to the police and licensing board. Do not add to the problems we have.

Reasons for comment:

Comments: 10/08/2023 10:01 AM There is a real alcohol issue on Shepherds Bush Green green! Teenagers getting their hands on vapes! Allowing the petitioner to increase their licensing hours is worrying! They may not directly supply tens with vapes or alcohol, however extending the licence impacts on those who like locally and we need to feel that the you are listening to the community.

Reasons for comment:

Comments: 10/08/2023 11:42 AM I object to this application . Shepherds Bush is already plagued with the problems of alcohol fuelled anti social behaviour of which both the council and police are already aware . I therefore will not repeat here.  
There are already far too many outlets selling alcohol and area does not need any more.

Reasons for comment:

Comments: 16/08/2023 3:19 PM In the last 12 - 18 months the area has been plagued by anti social people caused with alcohol, drug and mental health problems. The last thing it needs is another outlet selling alcohol - from 8 in the morning. There is no policing in the area so licencing is the only line of defence.
