Off Licence and Convenience Store. Licensable activity applied for: Sale by retail of alcohol off the premises. Mondays to Sunday from 08:00 to 23:00 each day Proposed opening hours: Mondays to Sunday from 08:00 to 23:00 each day

We are concerned about deliveries across the borough from this premises. The noise nuisance, the emissions nuisance, the loitering of drivers/riders, the anti social behaviour that quickly develops. All of these things are very difficult for residents to endure. We want to research this more and know more about crime in the area as this address is in a Met crime hotspot. We are all for a corner shop but these are becoming hubs for phantom shops on the internet and in apps. The Committee needs to have more insight into how alcohol and convenience food and items are being distributed from a new corner shop like this one. It looks like this proposed shop might be connected in some way to a similar proposed shop at 126 Stephendale Road SW6. We need to investigate further and thus reserve our right to comment on any aspect of this proposed application which would

affect residents in the immediate area as well as along the diverse delivery pathways of this proposed premises. We also reserve our right to comment further on any points on the LBHF Lic Policy which might relate to this Application, especially those relating to cumulative impact, impact on residents etc. The entire LBHF Lic Policy points to Residents in so many areas that we will enumerate on them in Supplementals as necessary. North End Road is a very troubled space from a crime standpoint, as police will surely explain to the Lic Committee.

Reasons for comment:

Comments: 09/11/2023 11:01 PM We are very concerned about more deliveries from a new proposed Premises in North End Road especially for alcohol after 10pm as it creates too much noise nuisance, emission nuisance and our children are awoken by these riders zooming and rat running in our roads to other places. BarclayvRoad suffers n cut throughs at all hours.
