
SPECIAL MOTION NO. 6 – H&F LAW ENFORCEMENT TEAM

Standing in the names of:

- (i) Councillor Nikos Souslous
- (ii) Councillor Rebecca Harvey

The council congratulates the members of H&F's Law Enforcement Team (LET), who in 2022 alone:

- took just under 100,000 actions around the borough
- launched 5,000 investigations into residents' reports of anti-social behaviour, fly tipping, unauthorised access into buildings, nuisance, etc.
- conducted 7,000 weapon sweeps
- ran 85,000 patrols across H&F:
 - Housing - 22,000
 - Highways – 50,000
 - Parks -13,000
- issued about 1,700 Fixed Penalty Notices
- investigated 7,500 instances of fly tipping and waste issues
- investigated around 100 instances of dog fouling.

The council regrets local Conservative opposition to the establishment of the LET, as well as the national Conservative government's disastrous policing and criminal justice record.

The council determines to build on the success of the LET and strive to keep residents safe.
