Dear Sirs

Thank you for your email. We have read all of the objections by the locals and we would like to clarify all of them.

We initially applied for a licence for late hours which was until 2am on weekdays and until 3am on weekends and the notice was displayed for the public to have their say. However after having a meeting with the police a week after the notice was displayed, based on the current timings of our neighbours and the safety of the public, we agreed for a proposed timings by the police which is as below:

Timings highlighted in yellow are the proposed trading hours.

Opening hours of the premises

Sundays to Thursdays between the hours of 10:00 to 00:00

Fridays to Saturdays between the hours of 10:00 to 01:00.

We believe that all the objections are made based on the hours below because after the discussion with police, we didn't change the hours on the notice displayed in the premises and the locals are still under the impression that we will be trading until 2am but the new requested licence hours are now as its highlighted in yellow above.

Previously

Sundays to Wednesdays between the hours of 10:00 to 02:00

Thursdays to Saturdays between the hours of 10:00 to 03:00.

We would also like to mention that the new requested licensable hours highlighted in yellow are the standard hours for most of the food premises around us like Pizza hut which is right next to us. One of the objections raised was that if we were given permission to trade until 3am, consumers from the pub would be diverted to Go mezza, however this is not the case as our trading hours will be only until 12am on weekdays and 1am on weekends according to the new proposed hours by the police and highlighted in yellow above.

If you could kindly pass on this message to the locals who have raised an objection, I believe it will be all resolved. I am happy to answer their concerns by email or by phone at support@gomezza.com or

Thank you

Kind Regards

Vagke Inthiran

Dear [REDACTED],

Thank you for sending the blue notice, which was incorrectly advertised as it is for longer hours than originally requested.

As mentioned in my email dated on the 30th November 2023, **I would like inform you, following discussions with the Police Licensing team, the applicant has agreed to reduce the hours requested. If the licence is granted, the following licensable hours would be operated (in red):**

Licensable activities sought:

The Provision of Late Night Refreshment - Indoors and Outdoors

Sundays to Thursdays between the hours of 23:00 to 00:00

Fridays to Saturdays between the hours of 23:00 to 00:00.

The Provision of Late Night Refreshment – Outdoors Only

Fridays to Saturdays between the hours of 00:00 to 01:00

These hours above are the licensable hours being considered to be granted and not the original as applied.

Please let me know if the reduced hours addresses the concerns raised in your representation, and you are minded to withdraw? are you able to advise us of anything the applicant could propose in relation to reduction in hours or attach conditions that could resolve this matter?

Kind regards
