Subject: Re: Representation against late night refreshment application for Go Mezza 286 King street w6 0sp

Dear Lorna ,

Other than the use of an Sia licenced security guard to make sure the crowds outside the premises licence respect the residents living on this street and maybe only allowing the late hours on Friday and Saturday rather than the whole week, I would rather wait for the Licencing Comity to take their decision.

Best regard

Hi [REDACTED],

Thank you for your email.

I have noted your comments, and position. Are you able to advise us of anything the applicant could propose in relation to reduction in hours or attach conditions that could resolve this matter?

Kind regards

Dear Sir, Madam

I m afraid the amended hours applied for would not change anything with regards to my concerns as the premises would still operate once pubs and bars in the vicinity have closed therefore attracting a crowd potentially intoxicated late at night.

Best regards

Thank you for your representation objecting to the application for the above Premises Licence.

When representations are submitted a Licensing Sub-Committee Hearing is organised. At the hearing members of the Licensing Committee (Councillors) will consider and determine the application. Further details of the hearing including the Hearing Procedure will be sent in due course.

Wednesday the 8th of November 2023

Dear Sir, Madam

My name is [REDACTED] am currently living at [REDACTED] and have done so for the past 12 years.

I am writing to you, to object to the premises licence application being made by Go Mezza 286 King street London W6 0SP.

I understand that they are applying for a licence to provide late night refreshments both inside and outside the premises and they are also applying for the right to operate between the hours of 23:00 to 02:00 from Sunday to Wednesday and the hours of 23:00 to 03:00 from Thursday to Saturday.

I wish Go Mezza to be a prosperous business, but I have concerns about having a food outlet operating late at night [REDACTED] from my flat.

. My first concern would be regarding public nuisance.

If Go Mezza was allowed to operate until 02: 00 am or 03:00, there would be a considerable amount of noise coming from operating the business late at night making it impossible to sleep. Despite the fact that Go Mezza is located on the main road, the flats above the commercial properties on this part of King street are occupied by residents.

I would also anticipate a lot of noise coming from outside 286 King street, as it would attract delivery drivers stopping and starting their vehicles and sometimes playing music and beeping their horns.

I would also expect people to queue outside on the street, as there are only a few seated spaces available inside the premises.

This part of West King street would become a hot spot for people late at night in West London, and they would possibly congregate in order to get food.

There is an off licence operating 24 hours per day , 7 days a week at 142 King street. Even if Go Mezza weren't selling alcohol , I have no doubt , the people would come from various parts of West London once bars and clubs have closed in order to get more alcohol and some food.

This would mean that cars would be parked on the double yellow line outside 286 King street. I would also expect loud music being played and revving their engines as well as noise coming from the people waiting for their food to be prepared.

I don't believe Go Mezza offers the possibility to their customers to use a bathroom so there is a strong possibility that patrons waiting for their food to be prepared would use the alleyway between 284 a King street and 280 King street to relieve themselves.

. My second concern would be regarding public safety.

As I mentioned previously, there are a number of businesses selling alcohol late at night further up King street, so even if Go Mezza's licence did not allow them to serve alcohol, people would still congregate in the vicinity once all other licensed venues have closed, creating a hot spot for anti social behaviour with a potential risk for fights to erupt.

On that note , I would like to know if Go Mezza has thought of hiring security as no one would monitor the crowds waiting outside.

. My 3rd concern and probably the one that troubles me the most would be the possible increase in crime and disorder.

There are already signs of drug activity in the alleyway between 284 a King street and 280 King street. I am very worried that any late night activity would attract a crowd looking to buy or sell drugs as this alleyway is hidden from the main road.

Once again, I would like to reiterate that I wish Go Mezza to be a successful business and welcome them in the area, but do not wish this to be to the detriment of those that live in the immediate or surrounding area. Based on the reasons outlined above, please take this as my written objection to their licence application for late night refreshment.

I would like to thank you for taking my concerns into consideration and look forward to hearing from you in due course.

Yours sincerely

Subject: ref 2023/01804/LAPR - objection

Hello

I am writing to object to the project license request 2023/01804/LAPR - Go Mezza (286 King St, w6 OSp).

I live in a flat [REDACTED]

I object to the requested extension of hours to provide late-night refreshment for a number of reasons.

It would become a public nuisance as it would attract a crowd of people and delivery drivers waiting to collect orders, which will increase noise and inconvenience to residents.

I am also concerned it will become a target for crime and disorder, due to this increased late night footfall, impacting negatively on public safety.

I hope that this application is stopped and the closing hours are aligned with other similar businesses next to it.

Thank you.

Kind regards.
