Subject: Alleyway between 284a and 282 king street 29/01

Dear Lorna I trust you are well .

Please find attach a picture of the alleyway between the 2 buildings. As per my previous email , you can see that someone has used it over ther weekend to consume food and discarded their rubbish on the floor.

I appreciate that there has been an effort to keep it clean lately but that dose's stop people using it for all sorts of activity at night.

Once again , I completely understand that the staff at Go Mezza are powerless against littering outside the premises .

Best regards
