Concessions
Application types with no current fee
Listed Building Consent Planning permission for relevant demolition in a Conservation Area
Works to Trees covered by a Tree Preservation Order or in a Conservation Area
Hedgerow removal notice
Exemptions from payment (removed from legislation but remain valid as per below) An application that is the first and only revision of a previous application of the same type, for development of the same character or description, on the same site (or part of that site), by the same applicant where it will be received by the Local Authority within 12 months of: • the Local Authority receiving the previous application if it was withdrawn; or • the previous application being granted or refused; or • the determination period of the previous application expiring, where that application was validated, not determined, and then appealed on the grounds of non- determination;
An application that is the first and only revision of a previous application, for display advertisement(s) of the same description, on the same site(s) or part(s) of the site(s), by the same applicant, where it will be received by the Local Authority within 12 months of: • the Local Authority receiving the previous application if it was withdrawn; or • the previous application being refused; and, in all cases, where that relevant 12-month period started no later than 5th December 2023.
Exemptions from payment
An application solely for the alteration or extension of an existing dwellinghouse; or works in the curtilage of an existing dwellinghouse (other than the erection of a dwellinghouse) for the purpose of providing: • Means of access to or within it for a disabled person who is resident in it, or is proposing to take up residence in it; or • Facilities designed to secure that person's greater safety, health or comfort.
An application solely for the carrying out of the operations for the purpose of providing a means of access for disabled persons to or within a building or premises to which members of the public are admitted.
If the application relates to an alternate use of buildings or land within the same Use Class that requires planning permission only by the requirements of a condition imposed on a permission granted or deemed to be granted under Part 3 of the Town and Country Planning Act 1990 (as amended).
If the application is for a lawful development certificate, for existing use, where an application for planning permission for the same development would be exempt from the need to pay a planning fee under any other planning fee regulation
If the application is for consent to display an advertisement which results from a direction under Regulation 7 of the 2007 Regulations, dis-applying deemed consent under Regulation 6 to the advertisement in question
If the application relates to a condition or conditions on an application for Listed Building Consent or planning permission for relevant demolition in a Conservation Area
If the application is for a Certificate of Lawfulness of Proposed Works to a listed building
If an application for planning permission (for which a fee is payable) being made by the same applicant on the same date for the same site, buildings or land as the prior approval application (for larger home extensions, additional storeys on a home, or change of uses)
Reductions to payments
If the application is being made on behalf of a non-profit making sports club for works for playing fields not involving buildings then the fee is £578
If the application is being made on behalf of a parish or community council then the fee is 50%
If the application is an alternative proposal being submitted on the same site by the same applicant on the same day, where this application is of lesser cost then the fee is 50%
In respect of reserved matters you must pay a sum equal to or greater than what would be payable at current rates for approval of all the reserved matters. If this amount has already been paid then the fee is £578
If the application is for a Lawful Development Certificate for a Proposed use or development, then the fee is 50%
If two or more applications are submitted for different proposals on the same day and relating to the same site then you must pay the fee for the highest fee plus half sum of the others
Fees for cross boundary applications
Where an application crosses one or more local or district planning authorities.  • The amount due is usually 150% of the 'single' fee that would have been payable for the proposed development (as if there had only been one application to a single authority covering the entire site); unless  • The 'total' fee (the sum total of each separately calculated fee for each part of the development within each authority's boundary) is smaller. In which case this 'total' fee is the fee due
