Reasons for comment:

Comments: 22/02/2024 9:28 AM I am extremely concerned about this application. Firstly local residents have not been properly consulted, a random piece of blue paper on a lamp post with no reference number for residents to contact does not constitute a consultation, furthermore was not displayed for the required amount of time ie 6 weeks.

Allowing a license for seven days a week 365 days a year is completely inappropriate in such a highly residential area and will cause safety problems for the residents and not to mention car parking. I hope that this application will be reissued in a different format and the local residents properly consulted.

Comments: 28/01/2024 9:17 PM 11pm closing time everyday is not appropriate for such a quiet neighbourhood area and wildlife (surrounded by river and park)

When the riverside is open to the park does it mean your clients will access the park after 11pm?

Will the damages cause by your clients (such as rubbish etc.) be financially supported by the stadium?

Dear Sir/Madam,
