Licensing Act 2003

Reference: 2024/00302/LAPRP

Premises: Restaurant (Unit 3, Level 2, Mezzanine And Rooftop Bar) Olympia Exhibition Centre Hammersmith Road London W14 8UX

I make this representation on behalf of the Council's Environmental Public Protection (EPP) Team with respect to the licensing objective of '**Prevention of Public Nuisance**'.

The application is for a Restaurant and rooftop bar occupying level 2, mezzanine and rooftop. It includes provision of regulated entertainment (recorded music) from 10:00hrs – 23:30hrs, seven days a week.

The applicant includes in an operational schedule the following measures to uphold the licensing objective of 'prevention of public nuisance':

- The premises will make suitable provision for smokers.
- Music shall not be played at such a level that it is likely to cause a public nuisance.
- Any outside areas are to be monitored and supervised by management and staff, when occupied, during the hours that the premises are open to the public.

We consider that a venue of this nature and size could give rise to public nuisance, although these impacts could be adequately controlled and mitigated through adequate conditions.

The conditions offered within the application, particular that relating to music noise levels are too broad and imprecise and we consider them inadequate. We consider that clearer, objective conditions would address our concerns; these may include music limit levels, the installation of a tamperproof noise limiting device, or controls over the building envelope to contain noise.

We are seeking to agree such conditions with the applicant.

Simon Boniface

Team Leader – Public Protection (Nuisance Team Central).
