**Subject:** Hearing - Olympia - 2pm Tuesday 7th May  
**Importance:** High

Hi Lorna, Matthew has asked me to send you the following:

Please find attached a brief submission, similar format to yesterday, that is a summary of the application hours, conditions and a couple of comments, for each of the applications listed 2pm next week.

It seemed to me that with a number of matters being addressed on the same day this would likely be an easy way of considering the specifics rather than wading through the whole agenda each time. Matter for you of course but committee may thank you if they are individually identified in the agenda.

There is also a combined presentation, giving a little more detail on the individual units and the likely style and characteristics of how they will come to be fitted out. **However, we are still awaiting a final version, but did not want to hold up sending you the submission documents.** Unlike, say, Citizen M/Incipio, we do not have a finalised operator to put before the committee here, but candidly that is as you might expect for a Provisional statement.

We will send the combined presenter as soon as it is available.

Best wishes

Matthew
