DETAILED ANALYSIS

Proposals and Analysis of Options

1. The council presently has 3 active limited companies and is part of 2 Joint Ventures.
2. Cabinet now receives regular updates on the position of the companies. This fulfils the function of the council as a shareholder or joint venture partner in these companies, enhancing transparency and oversight.
3. Council departmental directors and appropriate officers engage with relevant companies as required for the business of the companies. Regular updates are presented to the internal Commercial Board on activities of companies and the LLPs.

4. Each company has their own legal advice and accountancy support. LLP programme arrangements are in place to track the risk and delivery of the developments. The director arrangements have been refreshed and training is provided to support directors working on the Joint Ventures.
5. LBHF companies have been constituted for a purpose and once that purpose is fulfilled action is taken accordingly in relation to their direction of travel.
6. An overview of the companies' status on Companies House, purpose and direction of travel is as follows:

Risk Management Implications

8. The report sets out the status, purpose and direction of travel for the council-owned companies and confirms the arrangements for corporate oversight. This will help to provide appropriate assurance to the Cabinet on the companies' activities, the delivery of objectives set when the companies were established and the management of risks relating to the delivery of objectives.
