Hi Lorna,

Having read the application, I see that there are a few units at this location that have access 24 hours. As there is no public access and the applicant has offered a number of safe guarding conditions, from a crime and disorder perspective there are no concerns from the Police.

Any issues would be noise related from vehicles etc and therefore I have contacted Noise and Nuisance to see if they have any concerns with the hours. I believe Simon is away until next Tuesday.

I hope this makes sense and you are well,

All the best,

Kris.

Good Afternoon Mr Chauhan,

My name is Kris Cardwell, I am one of two Police Licensing Officers that cover the borough of Hammersmith and Fulham, the other is my colleague Nicole Sondh. I can confirm that the Metropolitan Police are in receipt of the premises licence application for Booze Delivery Limited - Unit 4606 21 Effie Road London SW6 1EN as detailed below:-

**Licensable activities sought**

**The sale of alcohol - Off the Premises Only**

**Mondays to Sundays between the hours of 00:00 to 00:00**

Having read the application, the Operating Schedule is detailed and you have included a number of conditions relating to the responsible sale of alcohol and also safe guarding for people under the age of 18.

Whilst I appreciate that no members of the public will have access to the Unit, there is no mention of deliveries being made only to residential or business addresses. The area of Hammersmith and Fulham suffers with a high level of anti-social behaviour and street drinkers and therefore the Police want to restrict the sale of alcohol to people in the street or open park areas.

To address this issue, the Police request that the below two conditions are added to the application:-

**Deliveries shall only be made to bona fide residential or business addresses.**

**Any alcohol sold for consumption off the premises shall be sold in a sealed containers.**

Please let me know if you are willing to include these conditions and I will inform the Local Authority who can amend the application.

I look forward to hearing from you,

Kind regards,

Kris.
