Hello,

I spoke with manager at the premises and he permitted to store alcohol so we are ready to go ahead with the hearing.

If you want to reconfirm with the storage itself please do and the manager name is Sam.

Thank you,

Siddharth Chauhan

Hi Reon/team,

I hope you're well.

I was just wondering if you could re-confirm your position on whether alcohol can be stored at a unit at Access Storage.

From previous correspondence with Reon, he confirmed alcohol could NOT be stored at a unit.

Since then, an applicant who has applied for a premises licence for a unit at Access Storage, has claimed he has spoken to Sam (the manager) who has told him he can store alcohol at Access Storage.

I would be grateful if you could let me know which is the correct information, whether alcohol is permitted to be stored in unit or not?

If you have any questions, please don't hesitate to contact me on the below.

Kind regards

Lorna McKenna

Hi Reon,

Just to clarify, an individual cannot store alcohol at the access storage facility. Is this correct?

Kind regards
