To Licensing,

Thank you for sending the updated timings through.

The Metropolitan Police will be maintaining their representation against this application. As stated in our initial representation it is our belief that any extension of operating hours will have a detrimental effect on crime and disorder within the local area allowing the current anti-social behaviour issues to extend into the later hours/early hours of the morning.

Kind Regards

Nicole

Dear Lorna,

We would still be objecting on the basis of my statement.

I am happy to attend the meeting and provide the rationale for my decision.

Dear Lorna and the team,

Thank you for your email regarding the late licence application for Revive cafe.

Given that Revive is still requesting very late opening hours (until midnight/1am), all of the objections that we originally made still stand - nothing has materially changed.

Furthermore, the ongoing anti-social issues at the end of Loftus Road/Uxbridge Road need to be addressed by the council, including drug dealing, ASB, weapons, theft and littering. There have been many occasions where the police have been involved (especially in drug and knife/weapon raids) in the past few weeks alone. Please ensure that you are consulting with them as to the severity of the issues we are facing as the residents are being ignored. Granting late night licences will only exacerbate these issues further.

Please confirm receipt of this email.

Yours sincerely,

I still think this is far too late - given the mess, the rats, the noise and the general disturbance of everyone gathering outside on the pavement and throwing everything on the floor I think it should be closed down completely

Dear Lorna, Thank you so much for coming back to me. As this is a residential area and children need to be well rested for school. These hours are far to late. So I do not feel I can withdraw my objection. Yours sincerely [REDACTED]

Dear Lorna,

My objection stands. Please add the following comment;

“

Even with the current allowed hours of 11pm, activity at the establishment does not fully stop at this time. Customers will take time to leave the area, they often congregate by cars before departing, staff will take time to clear up etc etc etc. This tends to happen more in the summer months, this is also exactly the same time that residents have their windows open and are therefore more impacted by the activity.

There is still related traffic, noise and general activity until circa midnight and this is assuming the establishment closes at the correct allowed time, currently 11pm. Other restaurants/cafes on Uxbridge road do not close at their permitted time, I have continuing correspondence on this very topic with LBHF Planning enforcement and Licensing which goes back several years and is still ongoing. Given the ineffective enforcement of opening hours in the area, I am absolutely against further lengthening of permitted opening hours.

“
