Legal Implications

Under Regulation 53 of the Local Government Pension Scheme Regulations 2013, the Council, as the administering authority of the Pension Fund “is responsible for managing and administering the Scheme in relation to any person for which it is the appropriate administering authority under these Regulations”. Therefore, it is responsible for ensuring that the Pension Fund is administered in accordance with the Regulations and wider pensions law and other legislation. It discharges this obligation under the terms of a contract with Lancashire County Council dated 26th January 2022 which, in turn, sub-contracts its obligations to the Local Pensions Partnership Limited under a separate contract of the same date. The Service Levels are set out in the Addendum to Schedule 1 of the contract with Lancashire County Council. This report asks that the Pension Fund Committee notes the performance against those Service levels.
