Dear Lorna,

Please take this email as a representation from the Licensing Authority against this new premises licence. Based on previous interactions with the applicant at a neighbouring premises, we do not have confidence that they will adequately uphold the following licences objectives,

- the prevention of crime and disorder..
- the prevention of public nuisance.

Further information on these interactions will be provided in due course.

Kind regards

Hi Sophia

I would like to object to the above application on behalf of the Environmental Public Protection Team for the following reasons:

1. The applicant is the operator for 94 Shepherd's Bush Road where we have received several noise complaints.
2. The applicant has provided insufficient information to support the application. A Noise Management Plan is required to demonstrate how they will manage noise emanating from the premises.

Regards

Anona

Importance: High

RE:

Application Reference:	2024/01633/LAPR
Address:	96 Shepherd's Bush Road London W6 7PD
Licence Category:	Licensing Act - Premises Licence
Application Type:	New

'New premises licence L'ami Jac: The premises intends to operate as a restaurant and the applicant proposes a licence to cover various licensable activities. Licensable activities sought The Exhibition of Films - Indoors Only Mondays to Sundays between 11:00 to 00:00 The Provision of Late Night Refreshment - Indoors Only Mondays to Sundays between 23:00 to 00:00 The Sale of Alcohol - Both On and Off the Premises Mondays to Sundays between 11:00 to 00:00 Proposed Opening Hours Mondays to Sundays between 07:00 to 00:00'.

I have attempted to submit my objections via the form online but it is not working for me,

My Objection:

Whilst happy to have a thriving new business expand in the neighbourhood and I have enjoyed visits to the current premise, I note they now wish to expand their license both in terms of what they do, i.e. a restaurant and show films, plus extend the opening hours.

I have a number of concerns regarding these proposed changes. Firstly, I have concerns about the impact of this application for extended hours on me and my quality of sleep. [REDACTED] and already sometimes hear noise from customers outside this premises, in particular when they close at 22.00 and they try get those customers who have been drinking all evening to move along. I can hear them speaking loudly, laughing and sometimes shouting.

The application to extend opening hours to 00.00 every night means we will hear customers in the early hours most nights. At this time of night, there isn't much else happening and even the traffic is non existent/very light, so there isn't any noise. This proposed extended of opening time until 00.00 every night is far too much.

A much more reasonable closing time would be 23.00, at least this should mean customers will have moved away by 00.00? I would also suggest different times on week days e.g. 22.00 and the weekend e.g. 23.00 on Friday and Saturday, and 22.00 on Sunday.

I am extremely concerned about the proposal to show 'Exhibition of Films - Indoors Only Mondays to Sundays between 11:00 to 00:00', I am concerned that the noise will be heard through the walls as these are old properties built to different standards, and already I can hear music in neighbouring properties when played loudly. What if any sound insulation has been installed in this property to reduce noise, what is the limit of the levels of sound and how will this be monitored?

Overall the application is too much. I really cannot see how showing films when not done in a proper cinema with insulation is realistic or appropriate, also opening every night until 00.00 is too much.

To whom it may concern,

I'm writing this email regarding the new licensing application of the wine shop L'Ami Jac on 96 Shepherd's Bush road W6 7PD.

At the moment the same owner at 94 Shepherd's Bush Road W6 7PD is licensed to open till 10pm and they already stay open till late some time until 1:30 2:00 am the noise team been contacted 5 times and they came to my flat and the found how much it's. Over the last 6 months there been a lot of problems regarding the noise on the premises , when I asked him politely to put the music down they refused and they continued every night with the noise. [REDACTED]

[REDACTED] d I can hear all the noises even the time he close the shop the shutter door vibrates the whole building and it's wake me up. It always wake me up with a heart racing because I am on a panic attack and I do have migraine as well I can hear the tv when they are playing music loud or when they are talking and I do start early at work and I need to have a rest at night! I found out the notice for the license application for 96 Shepherd's Bush Road being displayed at the other side of the entrance of the building of 96 Shepherd's Bush Road not even on the shop itself.

Their intention is to get the license for 96 Shepherd's Bush Road and break the wall in between the two shops and make it as one business which would double up the noise and disturbance issues that we are already suffering from his shop at 94 Shepherd's Bush Road.

Please don't allow this shop to get an Alcohol license for 96 Shepherd's Bush Road as I am suffering from the noise coming from 94 Shepherd's Bush Road.

Thank you

Best regards

Subject: Opposing license for 96 L'amie Jack wine shop

To whom it might concern,
I'm writing this email regarding the late hours license for the wine shop at 96 Shepherd's Bush road w6 [REDACTED] and I definitely don't agree with late night opening hours! I've spoken to my neighbours and nobody agrees with it. We work day and night shifts and when we come home we need to rest. There are elderly people [REDACTED], young children and babies and we need rest at night not people partying. At the moment 94 owner which is the same owner for 96 is supposed to close the shop 9.30 pm and out of the premises by 10pm which it never really happens. Sometimes the shutter is half closed and they go in the basement but I can hear them still partying after 11pm. It's a very old building and the noise travels and it's pretty loud. It's hard on me when I work day shift, I can't sleep at night till late and day time at the moment are building the shop and I can hear the builders banging like they are in my studio.
Please don't agree with the late hours license as it's not fair on us, the neighbours to deal with drunk people when we should be resting. I think 10pm it's more than enough for them to sell alcohol
Thank you,
Neighbour of the shop

To whom it might concern,
im writing this email as I don't agree with the opening hours of the wine shop at 96 Shepherd's Bush road . At the moment the same owner at 94 it's supposed to close at 9.30 outside and leave the premises by 10 but they are open till 11 sometimes even more. [REDACTED]

[REDACTED] The building is not very well insulated and we can hear noises coming from shops around us. We had an incident with the restaurant at number 92 when they had a party and the whole building at 94 was vibrating from the music. We are worried if the separation wall between 94-96 will disappear we won't be able to rest at night till late in the morning. We work long hours and it's only fair to be able to rest at night. Please don't agree with the late opening hours as all the neighbours I've talked to don't agree with it .

Thank you

Neighbour [REDACTED]

This is a video with the noise from when they were cleaning the shop at 92 , just the Hoover. Imagine that they do that at 1am when we try to sleep
