Hi Matt,

No worries at all.

support our application without objection. As discussed, these are:

**Trading Hours:**

- Sunday to Thursday: trade until 1am
- Friday and Saturday: trade until 3am, with 1 SIA on duty from 00:00 to 03:00

**Conditions:**

- Upstairs seating area to be closed from midnight to all patrons and not to reopen until the following business days trading commences
- Wi-Fi to be switched off at the venue from 2300 with no public access to this being allowed during 2300-0300
- Classical music to be playing from 2300 – 0300 over the internal sound system
- No open alcohol containers inside the premises
- Store advertised as a safe space for anyone who is vulnerable to allow them a safe place during Late night refreshment hours

Policy for delivery drivers to wait inside the store however they cannot enforce this as they are not employed directly by McDonalds.

Does this all make sense?

Regards
