

KEY DECISIONS LIST 149 – JULY 2025

Notice of consideration of Key Decisions

In accordance with paragraph 9 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, the Authority gives notice of Key Decisions which the Cabinet, Cabinet Members or Chief Officers intend to consider. The list may change from the date of publication as further items may be entered.

All Key Decisions will be subject to a 3-day call-in before they can be implemented. If a decision is called-in by Councillors, it will not be implemented until a final decision is made.

A detailed report for all decisions going to Cabinet will be available at least five working days before the date of the meeting. Cabinet Member Decision and Officer Decision reports will be published at the start of the 3-day call-in.

Notice of the intention to conduct business in private

The Authority gives notice in accordance with paragraph 5 of Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that it may meet in private to consider Key Decisions going to a Cabinet meeting which may contain confidential or exempt information.

Reports relating to Cabinet key decisions which may be considered in private are indicated in the list of Cabinet Key Decisions below, with the reasons for the decision being made in private.

Any person is able to make representations to the Cabinet if they believe the Cabinet decision should be made in public at the Cabinet meeting. If you want to make such representations, please e-mail: governance@lbhf.gov.uk. Both your representations and the response will be published on the Council's website at least 5 working days before the Cabinet meeting.

Proposed Key Decision: Future Olympia development - S278/S38 Highway Works

Highway renewal works around the Olympia site as part of its redevelopment (entitled 'Future Olympia'). Works are proposed on Hammersmith Road, Blythe Road, Beaconsfield Terrace and Maclise Road. The works will comprise footway repaving, laying new kerblines, new crossing points, new lighting columns, new vehicle crossovers, reinstatement of signalised pedestrian crossings on Hammersmith Road (which were previously removed or stopped up due to development works), a new taxi rank on Hammersmith Road, reinstatement at the Kensington Olympia Station (eastbound) bus stop (which was also removed due to development works), new cycle lanes on Blythe Road/Beaconsfield Terrace and improvements to the crossing facilities at the junction of Blythe Road and Beaconsfield Terrace. These works are to be carried out under Section 278 and Section 38 of the Highways Act.

Public realm improvements associated with the Civic Campus development (Section 278 Highway Works). The improvements are proposed on King Street between Holcombe Road and Dalling Road and on Studland Street between King Street and Felgate Mews. The improvements comprise widened block-paved footways, new cycle facilities, new and improved pedestrian crossing facilities, new planted verges, and new street furniture. The carriageway will be narrowed to facilitate these improvements and to provide more space on the footway for non-motorised users.

Proposed Key Decision: Approval to extend our roofing contract by 12 months

We seek approval to extend our existing contract with our roofing subcontractor. This contract currently supports our DLO by carrying out roofing repairs and maintenance works, on behalf of H&F Maintenance, our Direct Labour Organisation ('the DLO'. The DLO has responsibility for carrying out repairs to communal areas for most of our council housing stock. Due to the specialist nature of roofing works the DLO requires a subcontractor to carry out roofing repairs and maintenance works on its behalf.

We initially procured this provider under a JCT measured term contract from the 16th of May 2022 until the 15th of May 2024. The original contract award allowed for a 12 month extension of the contract until the 15th of May 2025.

We are seeking approval to action this extension of the contract until the 15th of May 2025.

Proposed Key Decision: CONTRACT EXTENSION FOR VARIABLE DATA PRINTING SERVICES

The Council's four-year contract for variable data print services ended on 30 November 2021. This contract included printing and mailing communications for several Council services, including revenues and benefits, housing and electoral services. These services continue to go through a programme of transformation, with a focus on improved digital delivery. A new two-year contract (with the option to extend for a further two years) was recommended to ensure short-term stability of service as this transformation is embedded and services focus on Covid recovery.

The contract was awarded to the current supplier, (Financial Data Management Ltd) who had performed well throughout the contract and continues to actively support the council in the delivery of a wide range of business-critical services. As such, and to ensure ongoing service delivery, an extension of a further 2 years as per the terms of the contract awarded in Nov 2021, is considered to be the most efficient and economically advantageous solution. The extension of the contract will be on the same terms and conditions as the current contract, where costs are incurred based on actual service volumes. This provides for the opportunity to reduce printing and mailing costs as the Council expands its' programme of digitalisation across these service areas.

This is a decision to directly award a 2-year spot contract worth £340 000 to Living With Equal Opportunities (LWEO) in order to regularise existing arrangements starting 1st October 2024 to 30th September 2026

The reason for this decision is to ensure that residents have access to a responsive and good quality service in an area with insufficient local provision and to allow time for commissioners to coproduce a new model for day opportunities to be tendered for in 2025/6.

A timeline and plan is in place the co-production and governance around a new service model to take place by the end of this contract extension.

2 years also provides enough time to monitor the contract and terminate it if it is found to be underperforming

A waiver will go to Contract Assurance Board.

A strategy paper for a reprocurement will be presented in 2025.

Proposed Key Decision: Procurement Strategy and Contract Award - H&F Adult Learning & Skills Service (HFALS) Management Information Services (MIS) Contract

This report seeks approval for expenditure related to the provision of specialist Management Information Service (MIS) for the council's adult learning service HFALS. The Tribal system (EBS4) is included on the "G Cloud 14 Framework Agreement, Lot 2 Crown Commercial Services". The original price quoted by Tribal for an updated MIS system in 2024 was £370,545 which equates to £123,515 per year over a three-year period.

The Head of HFALS has negotiated a reduced contract price for a period of 3 years at a price of £103,757 per year for a total cost of £311,271 over 3 years. This is a reduction of £59,274 from the original quoted price. Included in the negotiations was the cost for some additional modules and implementation days to allow for some future proofing. This resulted in an additional cost avoidance of £43,480 if these modules and implementation days were added separately. Therefore, the total negotiated value is £102,754.

Digital Services have covered the historic costs for the contract over the last 5 years at £75K per year. Digital Services will continue to pay that same amount £75k per year from March 2025 to Feb 2028 DS = £225k in total (given the inflationary awards to DS). Our Adult Learning Service can then pay the difference of £29k per year X 3 = approx. £87k from our annual GLA Grant Adult Skills Budget (ASB).

The Tribal system (EBS4) is included on the "G Cloud 14 Lot 2 Crown Commercial Services". There are other providers listed on this framework but none of these can provide the service HFALS requires. This being the case, the Corporate Procurement team have advised that HFALS can make a direct award for a new contract with Tribal Group PLC.

Proposed Key Decision: Procurement of repairs resource planning and management solutions software

The current contract between H&F and Advanced Business Software and Solutions Limited ("Advanced") is set to expire on 21 July 2025. Advanced provides two critical cloud-hosted workforce management systems – Dynamic Resource Scheduling (DRS) and Job Manager – along with essential service support. These systems are fully integrated with H&F's internal operations, its repair contractors, and the Direct Labour Organisation (DLO), enabling efficient management of responsive repairs and compliance-related activities.

The objective of this report is to recommend a partnership extension with Advanced to ensure continued, uninterrupted service delivery up to the conclusion of the Repairs Procurement 2027. Maintaining the current system infrastructure is essential for operational continuity, avoiding service disruption, and minimising risk during this transitional period.

Proposed Key Decision: Procurement of Hammersmith & Fulham's sexual health e-service offer

This report seeks approval for Hammersmith & Fulham Council's ongoing participation in the pan-London sexual health programme, London sexual health and contraceptive online service. This service is a mandated function under the Health and Social Care Act (2012), which requires each local authority to provide, or secure the provision of, open access sexual health services in its area including: access to all types of contraception, preventing the spread of sexually transmitted infections (STIs); treating, testing and caring for people with STIs and partner notification.

Hosted by SHL.UK, this is a London wide remote contraception and STI, HIV and blood borne virus testing and results management service, for sexually active individuals aged 16 years and over. This 'e-service' will soon begin re-procurement via the Lead Authority, City of London Corporation, with contract award by August 2026. Hammersmith & Fulham Council is a participating authority in this arrangement.

Proposed Key Decision: Secondary Power in communal areas (Firefighting Lifts)

Due to changes in fire safety guidance and a commitment to enhance fire safety, the Lift service team have undertaken a review of Lift infrastructure and potential safety performance in the event of a fire. This review has determined that within high rise buildings and sheltered schemes improvements are required to ensure that lift operability is maintained in the event of a fire.

To convert our current lift stock into 'firefighting lifts' the Lift service team seek to undertake a phased programme for a contractor to install secondary power units within communal areas to 68 high risk profile buildings (see the detailed analysis for further information). These secondary power units will allow Lift provision to the fire service in the event of a fire.

We seek approval to procure this programme and award a contract to a winning bidder. We also seek to award a 'reserve contract' to the second-place bidder.
