Commenter Type:	Residents Group
Stance:	Customer made comments in support of the Licensing Application

Reasons for comment:

Comments: 18/04/2025 10:45 AM Can we please have an address for this venue or a map letting the public know where it is? Also is this a commercial independent company applying for this licencing application or the medical college? The sales of alcohol on and OFF these premises needs to be addressed because of proposed opening hour's until 3am in the morning. Every thing they have asked for is to a ridiculously late opening time, WHY. Will this premises be open to the public and local residents to use or is it strictly internal use only? None of this is mentioned or clearly stated. They are including new years eve until 3am in the morning collages and university are all closed in the holiday periods so who will be attending theses functions? This is in an area of licensing concerns because of the very close proximity to a football ground, the BBC and Westfield shopping centre and should come under the protective scheme that applies to the Shepherd's Bush Ward, Shepherd's Green and Uxbridge Road areas, it needs to be extended all the way up Woodlane ASAP

because of all the new, well over a hundred, alcohol licenses and extended late night venues opening up the full length of Woodlane and not being included in this scheme for the protection of public disorder and the rights of local residents to live peacefully in there homes. I look forward to your reply
