Dear Matt

Many thanks from a CERA perspective- having motor bikes etc buzzing around causing grief to locals who have a right to a good night's rest cannot be mitigated by such measures.

It also sets a precedent as you're aware of the McDonald's matter in North End Road and have similar issues.

Thanks

Dear Matt

Adding to [REDACTED] objections below, this is adding fuel to the fire. If this is allowed then you will have Topps delivering alcohol at all hours in the neighbourhood, fuelling the fires of late night parties. Delivery men will be bashing on doors and ringing doorbells waking up neighbours who are probably already fed up with their noisy, drunk neighbours. It's not necessary. If anyone needs alcohol they can buy it during normal business hours and if it runs out, the ravers can go home and wake up the neighbourhood on their way down our pavements to find a cab, late night public transport or e-bike to ride.

Shell station are not allowed to sell late night alcohol for this very reason. Please try to fight this and win.

Yours sincerely
