

# BV012 Sickness (Overview & Scrutiny Board)

## Sep 2011

Green = Target met  
 Amber = Less than 10% off target  
 Red = More than 10% off target

Trend is against last year .

Department/Area	Actual 09/10	July 11	Aug 11	Sep 11	Unit	Target	Target Met?	Trend	Comments
<b>Sickness Monitoring (rolling year)</b>									
Children's Services	7.4	7.3	7.3	7.2	days lost	7.8	Y	Improving	
Community Services	8.8	8.6	8.6	8.3	days lost	7.8	N	Improving	Sickness absence continues to fall, although higher than target. HR have found a training need for some mgrs, where some are not ending sickness on the HR system. A programme of training should see improvement next quarter.
Environment Services	7.8	7.8	7.8	7.7	days lost	7.8	Y	Improving	
Finance & Corporate Services	7.8	7.7	7.6	7.3	days lost	7.8	Y	Improving	
Housing & Regeneration	New Dept	7.9	7.9	8.1	days lost	7.8	N		HR officer is working solely with ex H&F Homes mgrs to reduce sickness absence in areas with the highest absence. Reports will also be scrutinised at DMT.
Residents Services	8.2	7.1	6.9	7.2	days lost	7.8	Y	Improving	
Corporate	7.7	7.9	7.9	7.9	days lost	7.8	N	Not Improving	

The headcount used in the calculation is being based on the mean average over the period, which will avoid the fluctuations seen in departmental results relating to transfers of staff. The corporate figure remains a direct comparison with BV012.
