## **SPECIAL MOTION NO. 7 – TAKING CARE OF OUR HIGH STREETS**

---

Standing in the names of:

- (i) Councillor Jose Afonso
- (ii) Councillor Amanda Lloyd-Harris

This Council calls on the Administration to take the decline of our high streets seriously, and engage with residents to tackle these issues across the borough.

This Council regrets the lack of satisfactory engagement with residents by the Administration since the cabinet meeting on 15 September at which Uxbridge Road was discussed, notes that earlier this year, 2,917 residents signed a petition to “Fix the Uxbridge Road”, and calls on the Administration to stop dismissing these valid and important concerns.
