Comments:	<p>04/10/2025 7:14 AM I am writing to register my full support for the Premises Licence Review submitted by the Licensing Department in relation to Co-Op, on the grounds of the prevention of crime and disorder and the prevention of public nuisance.</p> <p>This premises is located in well-known hotspot for anti-social behaviour (ASB), as identified by both the Police and local residents. It consistently attracts groups engaging in street drinking, loitering, and other nuisance activity throughout the day and evening. The pattern of behaviour associated with this store has had a serious negative impact on the surrounding area, contributing to intimidation of passers-by, noise, littering, and frequent disorder outside the shop and nearby public spaces.</p> <p>Given the clear and sustained breach of licensing objectives, and the evidence of ongoing public nuisance and disorder, I strongly support the revocation of this premises licence. Revocation is the only proportionate measure that will protect the</p>

community and deter further crime and nuisance in this location. The council should also liaise with the freeholder/landlord to ensure that an appropriate venue takes the place of the CO-OP. The opening times of the new venue should be carefully reviewed by the licensing team.

Regards

Kind regards

Comments:	<p>15/10/2025 6:14 PM I would like to support the licence review of the Co-op at 54 Uxbridge Rd.</p> <p>It is good to see the Council taking this action. Anti social behaviour, littering, crime and men lurking on the streets around the Green and on Uxbridge Rd are a real problem.</p> <p>I wish to support the review on the grounds of improving public safety and public nuisance. Reviewing the licence, and potentially limiting the hours when alcohol is served can only contribute to a safer, cleaner and better high street .</p> <p>Thanks for taking the time to carry out this review</p>

Subject: Premises Licence Reviews – [REDACTED] Co-op, Uxbridge Road W12

You don't often get email from [REDACTED]. [Learn why this is important](#)

Dear Sir/Madam,

I am writing in relation to the Premises Licence Reviews submitted by the Licensing Department on the following grounds:

- The prevention of crime and disorder
- The prevention of public nuisance

References:

- Co-op, 54 Uxbridge Road, London W12 8LP – Ref: 2025/01481/LAPRR (Licence 2025/00978/LAPR)

- [REDACTED]

My wife and I live on Uxbridge Road, Shepherd's Bush, very close to both premises. Since November 2024, we have been repeatedly subjected to serious anti-social behaviour outside our home. Groups frequently gather in front of our flat late at night, drinking alcohol, smoking drugs, playing loud music, loitering, and even urinating on our doorstep. These disturbances often continue from around 10 p.m. until 5 a.m. Few times we had to call the police as fights would break out within the group and arguments between individuals are often heard.

We have contacted the police and the council on numerous occasions. While enforcement teams have been effective in dispersing the individuals temporarily, the same groups return night after night. From our direct observation, the late-night sale of alcohol from these shops appears to be fuelling this behaviour. We have repeatedly seen individuals carrying blue bags full of alcohol purchased from these premises, returning multiple times throughout the night.

The surrounding pavement is often left littered with empty bottles, food waste, and other rubbish, creating an unpleasant and unsanitary environment.

I have also formally reported incidents of anti-social behaviour to the council in February (Ref: FS689402201) and April (Ref: FS704325658), and have made reports to the police as well.

This ongoing situation has severely affected our quality of life, disrupting our sleep and causing significant stress and anxiety, which in turn impacts our ability to work effectively.

While I fully support local businesses and understand the need for extended operating hours, I believe that alcohol sales late at night are directly contributing to crime and disorder in our area. I therefore urge the Licensing Department to take these concerns seriously and consider appropriate restrictions on late night alcohol sales at these premises.

Thank you for your time and attention. I would greatly appreciate any assistance or action that can be taken to help address this matter.

Kind regards,

[REDACTED]

Reasons for comment:

Comments:	30/10/2025 9:51 AM I am writing to ask that this licence to sell alcohol late at night is carefully considered as it has impacted the neighbourhood, local area and my life. Very often groups of people stays around the area and my flat smoking drugs, drinking alcohol bought from the shops around, urinating and leaving the area full of empty bottles of alcohol and food all over. I believe the council knows this already due to cctv cameras around. Many times, I called the police and council due to excessive noise and loud music throughout the night till 5 am many times. Selling alcohol late at night contributes to the anti-social behaviour in the area and certainly attracts more crime. Many thanks
