Attached email of Dec 5 from our Met Police Sgt Farrugia ref criminal damages/arrest @Parsons Green on 1 Dec just after midnight.

Dear Licensing, dear Neil
Pls add this email of mine and the email below of Sgt Farrugia as a Supplemental for The White Horse public house hearing on Dec 10.

The Committee should also be informed that the Met shared further info with us when I requested it, namely that the 3 shops which suffered criminal damage just after midnight on Monday 1st December were in the parade of shops very close to The White Horse pub, just at the far corner of Parsons Green ('PG'), namely, between Winkworth's estate agent on the corner of PG and New Kings Road and the Friarwood wines shop (retail sales only) on New King's Road@Molesford Road.

The car broken into was on New Kings Road in the area of Molesford Road.
[REDACTED] of our Ward Panel obtained this information for me/for us.

Unfortunately, this is Met-verified evidence that crime, real crime, is happening after midnight around our very precious Parsons Green and its surrounding, very densely residential roads.

Suspect Charged - Criminal Damage to Local Businesses

Dear Charlotte,

I wanted to provide you with an update regarding Violent crime, which people around your area have highlighted as an issue of concern on the priority survey.

Dear Community,

I'd like to provide a further update regarding the incident that occurred at 0005 hours on Monday 1st December 2025. A male smashed the windows of several business premises and a vehicle on New Kings Road. Police were called immediately, and the male was swiftly arrested at the scene.

I can now confirm that the suspect has been charged with criminal damage and threats to kill. I would also like to reassure the community that the suspect does not live in the borough of Hammersmith & Fulham. The Fulham Safer Neighbourhoods Team

continues to carry out targeted operations and increased patrols, particularly in areas where crime data and community feedback highlight concerns.

I encourage you to continue reporting crime and anti-social behaviour to the police so that we can act promptly and effectively. We remain committed to ensuring Fulham stays a safe and peaceful place for everyone.

Kind regards,

PS Johnny Farrugia
