

**EQUALITIES IMPACT ASSESSMENT (EIA) 2026/27**  
**SAVINGS AND INVESTMENT PROPOSALS RELEVANT TO THIS COMMITTEE**

**Savings Proposals:**

**Place Redesign Phase 3 - £1,300,000**

1. This budgetary saving is to be delivered through a review of staffing structures across the Place department. It is believed that this proposal has a neutral impact on groups that share protected characteristics as these are back-office savings only (mostly through the realignment of roles and responsibilities) and do not affect the delivery of front-line services. Equality impact assessments will be undertaken as part of the Council's standard reorganisation process for each affected service area. This will include consideration of any indirect impacts on individuals with protected characteristics. Any necessary reasonable adjustments will be managed as far as possible.

**Review Fees and Charges - £500,000**

2. This budgetary saving is to be delivered through a review of fees and charges to ensure at least full cost recovery and/or to ensure commercial charges remain competitive. It is believed that this proposal has a neutral impact on groups that share protected characteristics, as all customers are charged equally based on the goods/services purchased, apart from registered charities and community groups who receive discounts in some areas. Some age-related discounts exist in some areas (such as leisure and Adult Learning). The Council acknowledges that price increases may affect some groups more than others (such as older residents, Disabled people and those on low or no income).

**Reform Local Support Payment Scheme - £450,000**

3. Hammersmith & Fulham have provided a discretionary Local Support Scheme since 2016. The Local Support Scheme was designed to support residents in a crisis, or an emergency caused by a specific event. The scheme was previously contracted to RBKC with a budget of £600k that included administration costs of c.£150k. A reduction of £150k was made to the budget from April 2025/26, and the service now brought back in-house.

The new proposal is to end the scheme and utilise the government's Crisis and Resilience funding, which begins in April 2026, replacing the Household Support Fund, to continue to offer a hardship prevention scheme that meets urgent essential needs for residents.

This proposal will have a neutral impact on groups that share protected characteristics as an alternative scheme funded through the Crisis and Resilience fund will ensure support for those most in need can be accessed. The application process for both schemes is the same and so this will continue once local support payments are removed ensuring the revised scheme is readily accessible.
