Reasons for comment:

Comments: 14/01/2026 6:11 PM What impacts us with this event even more highly than the other 5 large and noisy events the Hurlingham have yearly, is that the auditorium (seating) for 1500 people is right by Broomhouse Lane, the event is to be held on a work night, with outdoor and loud noise from an orchestra, a play and then live music until 1am. Alongside this is a long build up, so trucks and activity for about 5 days either side. It is also just before they have another sponsored and large event at the Hurlingham the Tennis, which also includes build up days and a lot of extra activity and lots of non members attending.
I represent the block on [REDACTED] which overlooks the cricket pitch where the stadium is to be built, and I'm afraid we have to object to this large private party in our residential area on a work night. Surely this level of disruption should not be encouraged.

Kind regards

Reasons for comment:

Comments: 08/01/2026 12:53 PM This is obviously a violation of their licence and tramples on the rights of neighbours to stage a profitable event for themselves whilst ignoring the living environment of the local community.
At the very least, compensation should be paid to those affected

Kind regards
