## **SPECIAL MOTION NO. 4 – LEGAL CHALLENGES**

---

Standing in the names of:

- (i) Councillor Stephen Cowan
- (ii) Councillor PJ Murphy

“This Council undertakes to carry out an independent value-for-money review to consider the hundreds of thousands of pounds of tax payers’ money it is spending on legal fees, officers’ time and other council resources fighting local residents and local businesses on its high profile, large developments across the Borough.

The Council recognises that these are difficult times economically and that public money should be prioritised for front line services and tax cuts”.
