
SPECIAL MOTION NO. 1

Standing in the names of:

- (i) Councillor Rory Vaughan
- (ii) Councillor Stephen Cowan

“This Council deplores the fact that the Administration has negotiated a deal with Government Health chiefs that will see:

- The A&E at Hammersmith Hospital close;
- The closure of the A&E and most other acute health facilities at Charing Cross Hospital, which will be reduced to 13% of its current size; and
- 60% of the Charing Cross site turned over to property speculators.

It notes that, despite this, the Administration has spent thousands of pounds of taxpayers’ money putting out leaflets and other PR telling people it has saved Charing Cross Hospital. This statement is strongly disputed by local residents, the campaign to Save Our Hospitals and the Opposition.

This Council therefore agrees to commission an independent assessment of these proposals.”
