Standing in the names of:

- (i) Councillor Greg Smith

“This Council notes:

- a. The poor legacy of the previous administration in making inadequate provision for fighting crime;

This Council welcomes:

- a. The much improved security in the borough (and in particular the main Town Centres) under this Conservative administration;
- b. The overall reduction in crime from 25,861 crimes in 2005/06 to 22,858 crimes in 2009/09; with a real terms reduction in crime projected for 2009/10;
- c. The contribution of crime fighting measures by the Council to delivery of the 2006 Conservative election promise of “Lower Taxes, Less Waste and Better Services.”
