

STANDARDS COMMITTEE

ANNUAL REPORT 2009-10

1. INTRODUCTION

1.1 The Standards Committee met 3 times this year on 10 June and 4 November 2009; and 24 March 2010. The meeting scheduled for 6 January 2010 was cancelled. Mr. Steven Moussavi replaced Mr Chris Troke as Chairman for the year. Apart from various routine items such as matters discussed in bulletins from the Standards Board, the following were the main issues considered.

2. LOCAL ASSESSMENT OF COMPLAINTS

The Committee updated their training in the new system by watching “that’s Wrap”, the latest DVD issued by Standards for England. THE DVD took Members through the various stages of local assessment, exploring important or contentious issues along the way. Some of the DVD was filmed at Hammersmith Town Hall. The Committee asked Each Political Group to arrange a showing at one of their Group meetings

3 LOCAL COMPLAINTS CASES

3.1 Only one case was considered, during the year 2009 -10, by the Assessment Sub-Committee comprising Grace Moody-Stuart (Chair), Councillors Johnson and Cowan on 2 February . The Sub-Committee decided that no action should be taken on the allegation.

3.2 The complainant was given the opportunity to request a review of this decision which [he needed to do by 12 March] A written summary of the decision of the Sub-Committees excluding the names of the Councillor and complainant was made available to the public via the Council’s website.

4 PRIMARY CARE TRUST

Following the joint arrangements between the Council and the Trust, the Committee noted the separate Codes of Conduct which applied to individuals attending the joint meetings of the PCT Board and Cabinet.

5 REGISTER OF INTERESTS AND HOSPITALITY

Following a corporate governance audit, the Committee noted that improved processes for dealing with the Members’ Register of Interests and the Register of Gifts and Hospitality had been established to ensure the prompt and accurate handling of amendments to the Registers.

6 COUNCILLORS' EXPENSES

In light of publicity about Parliamentary allowances and expenses, the Committee received details of the Council's own scheme of Members' Allowances including the basic allowance paid to all Members, special responsibility allowances and the levels of reimbursement for travel and dependent carer expenses. The Committee noted that local authority allowances were much more closely prescribed and transparent than those for Members of Parliament and the Council regularly published both Members entitlements and the actual claims.

The Committee agreed to receive an annual report setting out the allowances scheme in detail and confirming the extent of individual claims. The first of these annual reports was made to the Committee's meeting on 4 November.

7 DISPENSATION GUIDANCE

The Committee received a report enclosing guidance issued by Standards for England following the Standards Committee (Further Provisions) (England) Order 2009. The new guidance corrected an anomaly in the previous regulations. The Monitoring Officer confirmed that although there had been several requests for Dispensations in 2005, there had been none since. The Committee decided that that, as to the criteria to apply in considering requests for dispensations in the future, each case be considered on its merits.

8 PROBITY IN PLANNING

The Committee received a report on recent Guidance issued by the Local Government Association about a revised code of conduct for Members in relation to Planning. The Guidance complemented and updated the Council's own "Guidance for Councillors and officers dealing with Planning and Licensing", as set out in pages 510-520 of the Council's Constitution. The Committee noted the revised LGA Guidance and decided that Members of the Planning Applications Committee be informed of the changes.

They reported to the November meeting on workshops and other sessions they had attended.

9.2 Their report highlighted possible ways of raising the profile of the Committee within the Council, including making the Standards Committee content on the website more prominent, attendance by Standards Committee Members at Cabinet and Scrutiny Committee meetings and more publicity through H&F

News. The Monitoring Officer confirmed that agendas for all these meetings were published on the website and encouraged Standards Committee members to attend any of these they wished.

Bob Chilton, Chairman of Standards for England, presented his views on how the new system of dealing with complaints was working across the country and the prospects for the future. The Chairman and Committee Co-ordinator attended this event on 11 February. There were some useful points raised which were reported to the Committee on 24 March.
