
SPECIAL MOTION NO. 8 – A SAFER HAMMERSMITH & FULHAM

Standing in the names of:

- (i) Councillor Greg Smith
- (ii) Councillor Steve Hamilton

“This Council:

1. Welcomes the significant fall in crime in Hammersmith & Fulham since 2006, equating to 8,000 fewer crimes a year.
2. Congratulates the hard work of the Borough’s police officers.
3. Notes the significant role H&F Council has played in this success, through providing 44 extra warranted police officers, expanding the borough’s CCTV network to over 800 cameras with a 24/7 control room, funding car, bicycle and house sting operations, cracking down on problem licensed premises, introducing a borough wide controlled drinking zone and pioneering integrated offender management.
4. Resolves to continue putting the fight against crime and anti-social behaviour at the top of its agenda.”
