LONDON BOROUGH OF HAMMERSMITH & FULHAM

COUNCIL MEETING – 29 JANUARY 2014

Question by: Mr Larry Culhane

To: The Leader of the Council

QUESTION

"At the last Council Cabinet Meeting on the 6th January, you and your fellow Conservative councillors unanimously voted to use Beaumont Avenue and Aisgill Avenue for "Heavy vehicle access to the depot during the Earls Court development". The report detailed how the residents in Beaumont Avenue and Aisgill Avenue (along with all the routes leading up to that area) will have to suffer the following:

"Large 77ft long articulated lorries will access the neighbourhood approximately 6-9 times a day from Beaumont Avenue."

"Very long 99ft lorries will need to access the site approximately 4 times a year."

"There are also 60 parking spaces on the LUL depot site for transit vans that will need to access/egress the site throughout the day."

The report confirmed that there has been extensive consultations with CapCo, the developer but absolutely none with residents. Will the Council now accept this was a mistake, that this will blight this neighbourhood during the works and that this decision should be overturned with a new route and a new plan devised in consultation with the local residents that will be affected?"
