
SPECIAL MOTION NO. 2 – THRESHOLD HOUSING ADVICE

Standing in the names of:

- (i) Councillor Stephen Cowan
- (ii) Councillor Andrew Jones

"This Council regrets the likely closure of Threshold Housing Advice following the cancelation of its funding and notes that it has been helping homeless people in this Borough since 1978.

The Council recognizes the public service Threshold accomplished when it challenged the treatment of Ms. K and caused the Ombudsman to find the London Borough of Hammersmith and Fulham to have been in Maladministration. The Council notes that Threshold was also challenging the Council on two further cases while the organizations funding was under review.

This Council believes that it would be detrimental to homeless people for Threshold Housing Advice to disappear from Hammersmith and Fulham and agrees to immediately reinstate Council funding."
