1. Introduction

- 1.1 The purpose of this report is to enable the Committee to review its work programme for 2010/11.

2. Report

- 2.1 The Committee's work programme for the remainder of the current municipal year is set out at Appendix A. The list of items has been drawn up in consultation with the Chairman, having regard to previous decisions of this Committee, relevant items within the Forward Plan and actions and suggestions arising from meetings of the former Local Neighbourhoods and Cleaner and Greener Scrutiny Committees. The review of winter service arrangements, previously provisionally scheduled for report to the Committee at this meeting, will now be circulated to Members separately for comment and feedback.
- 2.2 The Committee is requested to consider the items within the proposed work programme and suggest any amendments or additional topics to be included in the future, whether for a brief report to Committee or as the subject of a time limited Task Group review or single issue 'spotlight' meeting. Members might also like to consider whether it would be appropriate to invite residents, service users, partners or other relevant stakeholders to give evidence to the Committee in respect of any of the proposed reports.
- 2.3 Attached as Appendix B to this report is an extract of the Forward Plan items showing the decisions to be taken by the Executive at the Cabinet, including Key Decisions within the relevant Cabinet Members portfolio areas which will be open to scrutiny by this Committee should Members wish to include them within the work programme. Items within the Committee's remit are italicised.
