

APPENDIX 1

Do you pay council tax to the Hammersmith & Fulham Council? - 1	Do you receive council tax benefit? - 2	What is your age group? - 3	Are you (please tick one): - 4	Are you (please tick one) - 5	Are you responding to the consultation in your capacity as a representative of any of the following: - 6	Do you agree the council should meet the shortfall to to keep support at previous levels? - 5	Do you agree with our approach to assessing universal credit cases? - 5	Please explain your view on the council's decision to absorb the cost - (complete below)
Yes	Yes	18 - 59	Disabled	White (Brit	Other	Yes	Yes	I think its important the council continues to asorb the cost here. It ensures that citizens are able to better support there families in a time of cuts to other income streams. It reduces the cost and debt burden on the council. It stops the council placing vulnerable groups into a more financially and mentally detrimental position.
Yes	Yes	18 - 59	Disabled	White (Brit	Other	Yes	Yes	Pushing people into debt. The costs of collection of such debt might well end up costing the council mush more.
