### 37. PLANNING APPLICATIONS

#### 37.1 **Site At Junction Of Western Avenue And Old Oak Road, Wormholt And White City, 2015/02231/FUL**

Please see the Addendum attached to the minutes for further details.

The Committee heard representations in support of the application from the architect. He noted that the scheme would provide a significant amount of amenity and bring an increased economic activity provided by the students living in the building. If approved the development would be delivered promptly, ensuring that the construction noise on site would be well managed and that the design quality would be enhanced by the use of high quality materials.

An additional condition was proposed by Councillor Karmel, seconded by Councillor Aherne, controlling the hours of use of the coffee shop from 7am to 10pm, to limit disturbance to residents. The Committee agreed to this condition.

An additional condition was proposed by Councillor Karmel, seconded by Councillor Aherne, to ensure that residents' television signals would not be affected by the development during the construction process and in perpetuity. The Committee agreed to this condition and asked officers to draft the condition as appropriate, if the application was to be approved.

The Committee voted on planning application 2015/02231/FUL and the results were as follows:

For: 4  
Against: 5  
Not Voting: 0

The Committee therefore decided not to agree the Officer's recommendation to approve the application. It was then proposed by Councillor Connell and duly seconded that the proposal be refused on the following grounds:

- (i) **Design** – Poor quality, building too high and appearance not in keeping with the conservation area;
- (ii) **Impact on residents' amenity** – Adverse impact on daylight;
- (iii) **Highways** – unacceptable pick-up and drop-off arrangements for students at start/end of terms; and
- (iv) **Highways** – development would lead to increased traffic generation and increased parking stress in the area; unacceptable servicing arrangements proposed; impact on traffic flow / the one-way system including Foxglove Street.

The Committee decided unanimously to agree these reasons for refusal.

**RESOLVED THAT:**

Planning Application 2015/02231/FUL be refused on the following grounds:

- (i) **Design** – Poor quality, building too high and appearance not in keeping with the conservation area;
- (ii) **Impact on residents' amenity** – Adverse impact on daylight;
- (iii) **Highways** – unacceptable pick-up and drop-off arrangements for students at start/end of terms; and
- (iv) **Highways** – development would lead to increased traffic generation and increased parking stress in the area; unacceptable servicing arrangements proposed; impact on traffic flow / the one-way system including Foxglove Street.

**37.2 Mackenzie Trench House, Lillie Road, SW6 7PD, Fulham Reach, 2015/04554/DET**

Please see the Addendum attached to the minutes for further details.

**RESOLVED THAT:**

That application 2015/04554/DET and Addendum be approved.

Meeting started: 7.00 pm  
Meeting ended: 8.24 pm
